GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

12th January 1878, No. 168 W.

General.
Account.

Read the following papers:—

No. 108. From the District Engineer, Bangalore, dated 18th April 1877, No. 1.

No. 108-A. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, Buildings and Roads Branch, dated Fort St. George, 23rd May 1877, No. 11 B.

In forwarding the enclosed applications for funds from the District Engineer, Bangalore, to meet the cost of tools supplied to him by the Ordnance Department, I have the honor to invite attention to the explanation recorded by the District Engineer, Bangalore, as to the necessity for the funds he now applies for. The remarks apparently indicate that the tools were procured on account of famine relief works. Their value should accordingly be debited to the Civil Department, and funds for the purpose need not be provided in the Public Works Department.

2. On a reference however to the District Engineer, Bangalore, that officer explains, *vide* copy of the enclosed letter No. 24, dated 27th April 1877, that the tools are now used generally on the works under the supervision of the District Engineer, Bangalore.

3. I am at present unable to point out any source from which the required funds can be provided. It is too early in the official year to suggest any transfer of funds from the allotments sanctioned for other districts under Tools and Plant, Imperial.

Copy of a letter from the District Engineer, Bangalore, to the Examiner of Public Works Accounts, dated 27th April 1877, No. 24.

Has the honor to inform that the sum of Rupees 637 is not debitable to the Mysore Government, as the tools are in the possession of the subordinates of this district, and are used generally on the works under the superintendence of the District Engineer.

No. 109. ORDER THEREON, 12th January 1878, No. 168 W.
