Civil Works.

Read the following paper :—

No. 145. From Colonel C. S. HEARN, Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 10th January 1878, No. 131.

I HAVE the honor to forward for the *early* sanction of Government the accompanying estimate, amounting to Rupees 131, for repair by departmental arrangement of the Robertsonpettah Police Station-house, Godavery District, with a view to the work being commenced as soon as funds become available for it.

2. Under orders of Government, communicated in the Under Secretary's letter, No. 34 W, dated 7th June 1877, Public Works Department, the work in question should be classed as an original one, the necessary funds being provided from allotment for "*construction*" as the estimated cost exceeds one-fourth of the value of the building, this consequently requires sanction of Government.

3. The Superintendent of Police reports that the building referred to requires immediate attention, the roof work having been completely damaged by white-ants; but there being no funds available to meet the charge at present I have authorised an advance sufficient to prevent any further decay in anticipation of sanction, and request that a sum of Rupees 131 may, if possible, be sanctioned from the balance of the "Provincial Reserve" of 1877-78 should the proposal meet the approval of Government. If no money becomes available during the current official year, the charge will have to be met from the hutting and building grant for the ensuing official year. Any delay in the prosecution of the work appears to be undesirable.

No. 146. ORDER THEREON, 16th January 1878, No. 271 W.

THE estimate of Rupees 131 for repairing the Robertsonpettah Police Station-house in the Godavery District is sanctioned.

2. Rupees 65 only being available out of the amount reserved for Police Works with reference to G.O., No. 856, of 14th March 1877, paragraph 3, from Provincial Funds, that amount is appropriated to the work; the difference (Rupees 66) will be provided later in the year from savings to be reported by the Inspector-General of Police.

3. This sanction has been registered as Provincial No. 259 B of 1877-78.
