No. 3,359, dated 15th October 1878.

RESOLUTION,—By the Government of India, Financial Department.

READ—Rules 1 and 3 under Section 35, of the Civil Leave Code, as follows :—

1. Except by the Secretary of State, leave cannot be changed or extended without the permission of the local Government which originally granted it.

3. An officer on furlough or special leave in Europe, who wishes to have his leave extended, must apply to the Secretary of State for India at least three months before the end of his leave.

RESOLUTION.—At present the Secretary of State extends furloughs out of India at his discretion, without reference to the Government of India. To enable him to exercise this jurisdiction the last-pay certificate of every civil officer proceeding on furlough out of India, contains, *inter alia*, a statement of the period for, and terms on which, his leave may be extended or commuted, or, if his leave cannot be extended or commuted, a note to that effect.

2. The object of the 3rd rule recited in the preamble is that the local Governments in India may have timely warning of extensions of furlough granted by the Secretary of State in England.

3. By Section 14, of Supplement E to the Civil Leave Code, these rules apply to Chaplains. But, in a despatch, No. 3, dated 18th April 1878, the Secretary of State has intimated that the furlough of a Chaplain cannot be extended (otherwise than on medical certificate), except by the local Government; and there is reason to believe that Lord Cranbrook intends to apply the same rule to all other officers.

Irrigation Branch

4. In order to obviate the inconvenience that may thus be caused to officers in England who may find sudden occasion to prolong their furlough out of India, the Governor-General in Council desires that, with as little delay as possible, each department of the Government of India, and each local Government, will state whether the Secretary of State may be informed that, unless some special intimation to the contrary is contained in the last-pay certificate of an officer proceeding on furlough out of India, it may be understood that the local Government has no objection to the Secretary of State extending his furlough for the period to which he is entitled under the rules, as entered under the 12th head of the certificate.

ORDERED that a copy of this Resolution be forwarded to each department of the Government of India, and each local Government and Administration, with a request for an early answer to the inquiry which it contains.

No. 243. ORDER THEREON, 21st December 1878, No. 4,844 W.

ORDERED that the Government of India be referred to the Financial Department Proceedings forwarded with docket, No. 1,971, of the 31st October last.
