No. 245. From T. D. HARRIS, Esq., Executive Engineer, Ganjam Division, to the Chief Engineer, Public Works Department, dated Berhampore, 10th December 1878, No. 208.

I HAVE the honor to forward, herewith, copy of my letter to the Superintending Engineer, First Circle, to allow me to have an advance of one month's salary to enable me to purchase two Pegu ponies, and to state that as the division has not been organised as yet, and as there will be a great delay before I could get the Superintending Engineer's permission, I beg to request you will be so good as to accord sanction at an early date to one month's salary being advanced me for the reasons stated in my letter to the Superintending Engineer.

From T. D. HARRIS, Esq., Executive Engineer, Ganjam Division, to the Superintending Engineer, First Circle, dated Berhampore, 10th December 1878, No. 208.

HAVING lost one of my horses I want to procure a couple of Pegu ponies for cross country work. I have much of it, as you may well understand, and as I expect the ponies in in January next I beg you will be so good as to permit me to have an advance of a month's pay which shall be refunded in the usual manner. If I miss the opportunity there will be no more till next year again, and it is extremely difficult and expensive to procure a working horse or pony in this district.
