RESOLUTION.—Some inconvenience has lately been caused owing to the absence of distinct orders in regard to obtaining the services of officers of Government in one province for temporary service in, or deputation to, another province. In order to avoid any such inconvenience in future, the Government of India consider it desirable to rule that no officer, unless his services are very urgently required, in which case immediate information should be given to the Home Department, shall be taken from the general administration for any special duty, except through the Home Department, which has cognizance of the general administration. This will not, however, apply to officers already under other departments of the Government of India, or to any arrangements within the competence of Local Governments and Administrations.

No. 2-101.

ORDER.—Ordered that a copy of this Resolution be forwarded to all the Local Governments and Administrations for information and guidance.

Ordered, also, that a copy of this Resolution be forwarded to all the departments of the Government of India for information.

*Proceedings of the Madras Government, Financial Department,
 8th November 1875.*

Officers.

No. 33. Read the following Proceedings of the Government of India in the Financial Department, dated Simla, 14th October 1875, No. 4032:—
 Read again—

Resolution by the Government of India, Financial Department, dated 29th June 1875, No. 1629.

The Governor-General in Council learns that an Assistant Commissioner of the British Burmah Commission is employed by the Chief Commissioner as his Personal Assistant. His services are said to be essentially necessary for the efficient and satisfactory performance of public duty. But as young officers reserved in a province for training for district work cannot be detached for work of the kind without the sanction of the Government of India, the Governor-General in Council is pleased to authorise the Chief Commissioner of British Burmah to avail himself of the services of a Junior Assistant Commissioner, when necessary, and to employ him on his ordinary pay as the Chief Commissioner's Personal Assistant, on the distinct understanding that no increase to the strength of the Burmah Commission is involved in the arrangement.

ORDERED, that a copy of this Resolution be sent to the Home Department for communication to the Chief Commissioner, and (with a copy of the Revenue Department's No. 145, dated 21st May 1875), to the Accountant-General, British Burmah, for information and guidance.

ORDER.—Ordered, that a copy of the above Resolution be sent to the several Local Governments,* Accountants-General,* and Deputy Accountants-General in independent charge for information.

 Offg. Under Secy. to the Govt. of India.
