GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

15th February 1878, No. 755 W.

Buildings and Roads.

Civil Works.

Read the following paper:—

No. 131. Endorsement of the Chief Secretary to Government, Ecclesiastical Department, dated Fort St. George, 8th January 1878, No. 35.

From the Bishop of Madras, to the Most Noble His Grace the Governor in Council, dated Ootacamund, 25th July 1877, No. 778.

I HAVE the honor to forward an application from the Church Committee of Calicut for the erection by the Government of a shed for Divine Worship and other religious purposes at the barracks.

2. As the Church of the station is at too great a distance for the troops to march, and the place in which the service is now held is a shed used for a gymnasium, there can be no doubt as to the desirableness of providing another room of some kind for worship: and a more inexpensive one could scarcely be than that of which a plan and estimate signed by the District Engineer are herewith submitted.

3. It will also be observed that the Chaplain purposes providing the needful furniture without cost to the Government.

4. I have the honor to recommend the application to your Grace in Council.

From Reverend J. W. WYNCH, M.A., Chaplain of Coimbatore, to the Lord Bishop of Madras, dated Coimbatore, 10th July 1877.

I HAVE the honor to address you in connection with the service I hold at the West Hill Barracks, Calicut.

Captain Kane in command of the detachment thinks it is too far from the church to march the men on Sundays.

The only available place to hold Divine Service is the Gymnasium; there, amidst the paraphernalia of gymnastics, is held one service at 10-30 A.M.

I need not point out to your Lordship that such a place is wholly unsuitable; but I am desirous of putting it in so strong a light that your Lordship may be induced to obtain from Government sanction for building a separate shed that may be used on Sundays as a Chapel, and on week days as a place of quiet retirement for godly men to read their Bibles and for private devotion. I am unable at present to offer the Holy Communion at the barracks.

The women of the detachment do not attend the service, looking on the service, as I fear the men do, as simply a parade service. The Rev. W. Wace applied to the Brigadier-General, sending him the enclosed plan and estimate; on what grounds he applied to the

*District Engineer Malabar*

Brigadier rather than to your Lordship, I know not. I would endeavour to get up a small subscription to furnish the room with the needful furniture for the proper solemnization of Divine Service if your Lordship will prevail on the Government giving us a building.

TRANSFERRED to the Public Works Department for disposal.

(Signed) D. F. CARMICHAEL,  
Chief Secretary.

No. 131-A. From Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, to the Chief Engineer, Buildings and Roads, dated Camp, Luckadi, 31st January 1878, No. 153.

REFERENCE No. 291, dated 16th January 1878.

With reference to above, I have the honor to state that the high rate of 2 Rupees for driving in posts 4 feet into the ground is owing to the fact that the lower 2 feet of the posts will have to be sunk into very hard description of laterite.

No. 132. ORDER THEREON, 15th February 1878, No. 755 W.

THE plan and estimate of Rupees 395 for constructing a shed for Divine Service at West Hill, Calicut, are sanctioned for immediate execution.

2. The District Engineer will provide funds from those at his disposal under Minor New Works, Military. If he cannot provide funds from that source he will propose transfers to meet the demand.

3. This sanction has been registered as Imperial No. 107 B of 1877-78.

(True Extract.)

Colonel, R.E.  
Secretary to Government, P.W.D.

FEBRUARY.

Nos. 131-132.

Est. for Divine Service at West Hill,  
Calicut, Malabar District. - Sanctions with  
sanction for immediate expenditure the plan  
and estimate for constructing a -

Specification to accompany Estimate  
for constructing a shed for holding Divine  
Service in, at West Hill, Calicut. 15/3

Amount of Estimate Rs 375.

The shed will be 40 feet long  
and 20 feet broad.

The roof will be supported by posts of  
1 foot diameter and will consist of  
trusses, Ridge pole, Bresummers  
rafters, thatch, bamboo & coir rope  
having a pitch equal to half the span.  
The ends of the posts inserted into  
the ground to be charred to prevent  
the attack of white ants.

The sides of the shed to be sheltered  
by tatty walls 8 feet high.

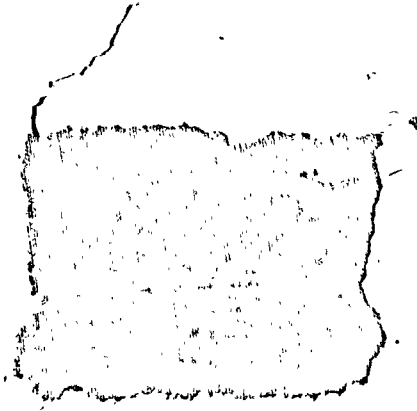

The floor level to be raised one  
foot above the ground and well  
tamped.

After the completion of work all  
 rubbish to be removed and the  
place left clean.

To  
The Most Noble  
His Grace the Governor in Council,  
Fort Saint George.

Potacumund 25<sup>th</sup> July 1877.

My Lord Duke,

I have the honor to forward  
an application from the Church Com-  
mittee of Calicut for the erection by  
the Government of a shed for divine  
worship and other religious purposes  
at the Marickas.

2. As the Church of the Station  
is at too great a distance for the troops  
to march, and the place in which  
the service is now held is a shed  
used for a gymnasium, there can  
be no doubt as to the desirableness  
of providing another room of some  
kind for worship: and a more im-  
expensive one could scarcely be  
than that of which a plan and

Combatue

19/8

10 July 1917.

My Lord Bishop

I have the honor to address you

in connection with the Service held at the  
West Hill Barracks, Calcutta.

Captain Kane in command of the Detachment  
thinks it is too far from the Church to enable  
the men on Sundays.  
The only available place to hold Divine Service  
is the Gymnasium, there, amidst all the  
acrophony of Gymnastics, is held our  
Service at 10.30 a.m.

I need not point out to your Lordship that

and a place is fully suitable,

but I am desirous of putting it in a strong & light that your Lordship may be induced to obtain from Government sanction for building a separate shed that may be used on Sundays as a Chapel, and on week days as a place of general retirement for godly men to read their Bibles and in private devotion.

I am unable at present to offer the Holy Communion at the Barracks.

The Women of the Detachments do not attend the Service, looking on the Service, as I fear the men do, as simply a Parade Service.

The New & W. W are applied to the

Brigadier General, sending him the 15/7

enclosed Plan and Estimate; on which

grounds he applied to the Brigadier rather than to your Lordship. I trust that

I shall endeavour to get up a small subscription to furnish the Room with

the useful furniture, for the proper

accommodation of Divine Service, if your

Lordship will prevail on the Government

giving us a building

I am very Lord Bishop  
we are.

Harjean } Your faithful Servant  
Hay Rustey }

Malabar District Engineer Office  
Camp Luckadi 31<sup>st</sup> January 1878

From,

The District Engineer  
Malabar

To,

The Chief Engineer  
Roads and Buildings  
Madras.

Sir,

Reference no 291 dated 16 Jan. 1878

With reference to above I have  
the honor to state that the high  
rate of 2 Rupees for driving in  
posts 4 feet into the ground is owing  
to the fact that the lower 2 feet of  
the Posts will have to be sunk  
into very hard description of  
laterite.

I have the honor to be  
Sir.

Your most obtt. Servt.
