GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

15th February 1878, No. 761 W.

Buildings and Roads.

Civil Works.

Read the following paper :—

No. 137. From W. S. HARRINGTON, Esq., District Engineer, Madura, to the Secretary to Government, Public Works Department, dated Madura, 2nd February 1878, No. 354.

I HAVE the honor to state that the Assistant Engineer in charge of the Ramnad Zemindary works in his No. 4, dated 25th ultimo, writes as follows :—

"On my arrival at Ramnad I find that no relief works are in progress, and that the proposed repairs and projects here on a moderate computation cannot be executed no less than two years.

"I have therefore the honor, in the interests of the estate, to suggest that a Madras Engineer be appointed to it, and that I be permitted to return to Bengal at the end of the six months for which I was gazetted to duty on relief works in the Madras Presidency.

"My service in this Presidency will, according to the promise conveyed in the *Bengal Gazette*, be over about the end of next month, and I beg most respectfully to represent the hardships of being detained here after this, as when I left Calcutta my arrangements were made for an absence from Bengal of six months only."

2. I make no comment on this letter, but merely forward it for any orders you may think proper to pass on it.

No. 138. ORDER THEREON, 15th February 1878, No. 761 W.

THE District Engineer will desire Mr. Parsick to do his duty, without writing or remonstrance, and to give his immediate attention to the completion of the irrigation repairs, &c., entrusted to him with the utmost energy and promptitude.
