To

The Chief Engineer
P. W. D.

Sir,

In November 1877, the following of Bellamy asked the District Engineer to take charge of the existing portion of the old Salug Cutcherry at Rapoon, under G.O. No. 157. W. of the 29th May 1877; the Collector also mentioned that the Superintendent of Police should have the use of the building, if he still wanted it. The Superintendent of Police has again recently asked me for the old Cutcherry; inasmuch as the Police Station at Rapoon is not fit for the head quarter station of a Salug.

There appears to have been no other demand for the old Cutcherry building, which has remained unoccupied since it was taken over by this Department, a year and half ago; and I have the honour

request authority to give over the building
the Superintendent of Police.

I have the honor to be
