PUBLIC WORKS DEPARTMENT.

28th May 1879, No. 1,466 W.

General.
Establishment.

Read the following paper:—

No. 169. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated 10th May 1879, No. 40 W.

I HAVE the honor to forward, herewith, copy of a letter No. 128, dated 9th April 1879, from the Superintending Engineer, Second Circle, and with reference to G.O., No. 151 W, dated 11th January 1879, to request the favor of being informed as to whether the suspension of Sub-Overseer LeFebour therein ordered should be considered to have effect from the 8th May 1878, the date on which he was originally suspended by the late District Engineer of Cuddapah, or from the 2nd February 1879, the date on which he was relieved of his duties on the receipt by the Superintending Engineer of the Government order in question.

From the Superintending Engineer, Second Circle, to the Examiner of Public Works Accounts, dated 9th April 1879, No. 128.

UPON G.O., No. 151 W, of the 11th January 1879, Sub-Overseer LeFebour was suspended from the 2nd February; he asks for subsistence allowance, but the Executive Officer in the Cuddapah Division declined to give any on account of your disallowance No. 718, in which you require a refund of the difference between Rupees 60 and Rupees 15 from the 8th May 1878 to 31st December.

2. As the Sub-Overseer was reinstated and was on duty in January 1879, it appears to me that his full salary should be passed for that month, as also there is nothing on record as to forfeiture of any part of allowances during the period of suspension, I do not gather from the rules that any portion of salary should be disallowed for time of suspension. By Colonel Hunter's memorandum of the 4th September 1878, entered in G.O., No. 151 W, the Sub-Overseer was released from suspension, having been acquitted by the Magistrate, he returned to duty then, and must therefore be entitled to his full salary.

3. By paragraph 24, Section II, Chapter IV, of the Code one-fourth of salary is allowed during suspension, and I have the honor to request you will be so good as to inform me whether the Sub-Overseer ought not to receive this amount now from the 2nd February while again under suspension.

4. The case is certainly complicated in the Sub-Overseer being suspended a second time. If the case had come to an end, there would, I think, be no doubt that full salary should be passed for the whole period since last May, and the second suspension can hardly invalidate a claim that was previously admissible.

No. 170. ORDER THEREON, 28th May 1879, No. 1,466 W.

MR. LEFEBOUR will be entitled to subsistence allowance for the period during which he was actually under suspension, and to full pay for the period he was on actual duty.
