Read the following paper:—

No. 177. From G. T. WALCH, Esq., Acting Superintending Engineer, First Circle, to the Chief Engineer, Buildings and Roads, dated Dowlaishvaram, 17th May 1879, No. 361 G.D.

I HAVE the honor to inform you that I have sanctioned an estimate, amounting to Rupees 350, for constructing two palmyrah sheds in the compound of the Civil Dispensary at Rajahmundry for the use of sick patients of the 39th Regiment, M.N.I., on emergency, and request you will be so good as to allot funds, under the head "Imperial" Military "Original Works," as there are none at my disposal.

2. From the enclosed copies of the certificate and the telegram you will observe that the necessity for building these sheds was so apparent that the Officer in charge of the division commenced the work in anticipation of sanction, and I have approved of his action in the matter.

No. 178. ORDER THEREON, 29th May 1879, No. 1,490 W.

The necessary funds are provided from the Imperial Reserve at the disposal of Government.

I hereby certify that the tent accommodation for the sick of the 39th Regt M.R.I. at this station, is insufficient, and, for the season of the year unsuitable. A well thatched shed should be at once provided for the treatment of the sick, of whom there are now a large number.

The cases of fever coming in from Pimpah are of a very severe type, and the patients need to be well sheltered from the sun *—
