GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

1st April 1879, No. 1,001 W.

General.

Establishment.

Read the following paper:—

No. 19. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Chepak, 19th March 1879, No. 4 C.L.

I HAVE the honor to acknowledge the receipt of G.O., No. 705 W., dated 7th March 1879, on the subject of the resignation by Mr. deSalis, Assistant Examiner, of his appointment in the Public Works Department, and with reference thereto to forward, for submission to the Supreme Government, an appeal (in original) from Mr. deSalis praying that his case may be reconsidered.

2. In the meantime, until a reply is received from the Government of India, I am to request to know what steps I am to take in the matter, whether I am to let Mr. deSalis remain on in this office or to give him leave without pay until his case is decided upon.

From H. DeSALIS, Esq., Assistant Examiner of Public Works Accounts, to the Examiner of Public Works Accounts, Madras, dated 18th March 1879.

I HAVE the honor to acknowledge your endorsement No. 2 C.L. of the 12th instant, forwarding for my information copy of a Government of India Public Works Department letter No. 72 E.—A., dated 26th ultimo, and to request that you will do me the kindness to transmit this my appeal, supported by the accompanying medical certificate, to the Government of India for the favor of reconsideration under the following circumstances.

2. From the medical certificate it will be seen that I have been in constant ill health for some time past, suffering from acute dyspepsia and general debility, thereby being unfitted at the time for the arduous duties connected with the accounts of this office and those of the recent famine.

3. My ailments have been caused, I beg to submit, from my inability to take the requisite exercise, after the day's hard work, as well as from the very trying and enervating effects of the past hot season.

4. On the other hand the District Surgeon certifies that I have much improved in health since my work in office has been lighter, and has expressed his opinion that the present state of my health is by no means such as to render it incumbent on me to seek relief by retirement from the service, and I must add that for the last three months I have felt a steady and decided improvement in my general health, and I sincerely trust that in a short time I shall fully regain it, and be able to perform my duties efficiently and in a manner satisfactory to the Government as well as to myself.

5. I would here respectfully state that my health and constitution were greatly impaired in Government service, through being daily exposed to the severe rains of Bengal from June to September 1874, whilst employed under the orders of Major Moberly, Examiner of Guaranteed Railways, Calcutta, in verifying the stores of the Eastern Bengal Railway with their books, which not only brought on severe jungle fever, but also peritonitis, which very nearly killed me. Subsequent to this I suffered thrice from sunstrokes and ultimately in September 1876 I was compelled to take furlough.

6. Under these circumstances, and with reference to the medical testimony now submitted, I venture to hope that the Government of India will be pleased to reconsider my case and permit me to retain my present appointment until an opportunity presents itself of my services being transferred to some other and more active branch of the department.

Should necessity arise hereafter through failure of health, I shall not then hesitate to ask permission to sever my connection with the department.

No. 20.

ORDER THEREON, 1st April 1879, No. 1,001 W.

ORDERED that the appeal from Mr. deSalis be forwarded to the Government of India, and that, pending receipt of orders, leave without pay be granted to him.

Certifies that during the
 past 8 or 9 months, I have on several
 occasions attended to Mr. H. Desalis
 of the Accounts Branch, Dept. Public
 Work, for opposite attacks, attributed
 by himself, and I think correctly, to
 excessive clock work, while
 therefore admitting his infirmities
 to remain permanently in this
 particular Department his health
 at the present moment is such that
 I do not see any necessity for his
immediate removal from the Public
 Service.
