Office Memorandum from Colonel H. K. BURNE, Secretary to the Government of India,
Military Department, to the Secretary to the Government of India, Public Works
Department, dated 6th February 1879, No. 213 B.

PAY AND ALLOWANCES.
British Army.

With reference to the inquiry by the Public Works Department as to whether the orders
regarding deferred pay to soldiers, as published in G.G.O., No. 605, dated the 5th July 1878,
are applicable to non-commissioned officers and soldiers employed in that Department, and, if so,
whether the deferred pay of two pence a day would in any way affect the calculation of their
departmental salary, the undersigned is directed to state that the orders regarding deferred pay
of soldiers are applicable to non-commissioned officers and soldiers serving in the Public Works
Department, and that the grant of two pence a day would not, in the opinion of the Military
Department, affect the calculation of their departmental salary.

2. As regards the further questions in the Public Works Department Memorandum,
No. 1,443 E—G, dated the 18th October 1876, in connection with the payment and adjustment
of deferred pay, the undersigned is desired to forward a copy of the correspondence margin-
ally noted, from which it will be seen that the deferred pay is only payable in India to non-
commissioned officers and soldiers promoted to the grade of Deputy Assistant Commissary, or
to commissioned rank, or when discharged in India with the intention of residing there, or

proceeding to a colony or otherwise, as also to deceased soldiers whose effects are only distri-
butable in India, but in all other cases it is payable by the War Office.

3. The undersigned is to request that the necessary instructions may be issued in the Public Works Department, in order that the amount of deferred pay due may be entered in the pocket ledger by the officer under whom a soldier is serving, if necessary in communication with the officer commanding the regiment on whose rolls he is borne, care being taken that the pocket ledger is completed on promotion to the warrant grade, when deferred pay ceases to be claimable, and under G.O., No. 360, of 1875, his records are transferred to the Adjutant-General's Office.

4. As regards the adjustment of the charge the deferred pay will, no doubt, if paid by the War Office, and subsequently recovered from the India Office, be adjusted as a military charge in the Home Accounts irrespective of the department in which a man has served in India.

But when paid in India, a matter of comparatively rare occurrence, it might, it is considered, be disbursed by the Public Works Department; and the amount debited to Her Majesty's Imperial Government in the London account current, when the War Office will recover from the India Office the amount chargeable to Indian revenues for Indian service.

Copies of the above forwarded for information to the Governments of Madras and Bombay, the Adjutant-General in India, the Controller of Military Accounts, Bengal, and the Accountant-General, Military Department.
