General
Account

Read the following paper:—

No. 52. Circular of the Government of India in the Public Works Department (Account—General), dated Fort William, 20th March 1879, No. 20.
Submission of reports by Local Governments of additions made to their Provincial Public Works Grants.

Read—

Public Works Department Resolution, Nos. 356—71 A—G, dated 13th April 1876.

RESOLUTION.—Provincial Public Works Budgets show the grants and their distribution from Provincial Funds for expenditure on Public Works. Alterations during the course of a year of the amounts of these budgets are primarily subjects for the Financial Department to deal with; but it is necessary that such alterations should also be known to the Public Works Department, and therefore Public Works Department Resolution, Nos. 356—71 A—G, dated 13th April 1876, required that all additional grants made from Provincial Funds during the course of a year should be reported to the Public Works Department of the Government of India.

2. There was such constant neglect, however, to make these reports, that it was recently arranged, in order to ensure that there should be some knowledge and record of these additions, that they should be reported by Examiners of Accounts to the Accountant-General. The information thus obtained is considered by the Government of India to suffice for all useful purposes, except where the additions are for ordinary outlay on the capital of Productive Public Works: all changes in proposed outlay of this nature—reductions as well as additions—must be reported to the Government of India without delay.

3. The Government of India is accordingly pleased to direct that in future the Local Governments and Administrations concerned should submit reports of fluctuations in their Provincial Public Works grants only in those cases where the changes are on account of the capital of Productive Public Works, but that these reports must not on any account be forgotten or delayed.

ORDER.—Ordered that this Resolution be communicated to the Governments and Administrations noted in the margin for information and guidance.

The Governments of Madras, Bombay, Bengal, North-Western Provinces and Oudh, in the Public Works Department, General, Irrigation, and Railway Branches.
