No. 62. Endorsement of the Military Department, dated Fort St. George, 2nd April 1879, No. 1,845.

From Brigadier-General H. O'CONNELL, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 27th March 1879, No. 97/2,734.

I HAVE the honor, by order, to bring to notice that in O.G., Public Works Department, 13th November 1878, No. 4,345 W, Military Department, No. 6,465, dated 29th November 1878, an estimate for dismantling the roof of certain rooms of the new Artillery Barracks at St. Thomas' Mount and re-roofing the same was sanctioned for immediate execution.

2. As on the inspection of these barracks in January last they had not been re-roofed, a reference was made to the Public Works Department. The Executive Engineer in letter, No. 595, dated 25th February 1879, reports that "the suspension of funds has subsequently prevented my carrying out my proposed expedient, but I am now drawing up a design for the truss and will have it fitted up to test its capability, which I believe must prove both efficient and economical."

3. As the work of repair of this roof is important, His Excellency the Commander-in-Chief trusts that funds will be provided and the work finished with as little delay as possible.

TRANSFERRED to the Public Works Department.

Secretary to Govt., M.D.

No. 63. ORDER THEREON, 4th April 1879, No. 1,050 W.

COMMUNICATED to the Superintending Engineer, Third Circle, who will at once state what sum he requires for executing the work.

2. No expenditure must be incurred by the Executive Engineer without appropriation.
