GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

8th April 1879, No. 1,107 W.

Buildings and Roads.

Civil Works.

Read the following paper:—

✓ No. 111. From Major H. W. WOOD, R.E., Acting Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 28th March 1879, No. 1,807.

I HAVE the honor to inform you that the Executive Engineer, Cuddalore Division, has brought to my notice that an expenditure of Rupees 163-13-5 and liabilities to the extent of Rupees 101-7-1, making in all Rupees 265-5-1, has been incurred in excess of the current year's appropriation of Rupees 1,500 for the repairs of the Government House at Cuddalore occupied by the Collector, an estimate for which, amounting to Rupees 1,630, was sanctioned by the late District Engineer this year. The above excess of Rupees 265-5-1 was not included in the statement of liabilities on which the revised budget has been lately sanctioned, as the Divisional Officer apparently was not aware of it till after the submission of the statement of liabilities. I request, therefore, that an allotment of Rupees 266 may be granted from the reserve of Rupees 2,629 held at the disposal of Government under Provincial Buildings and Roads in the revised budget for the current year.

✓ No. 112. ORDER THEREON, 8th April 1879, No. 1,107 W.

THE omission brought to notice is far from satisfactory, and should be explained by the Executive Engineer concerned.

2. The expenditure (Rupees 163-13-5) will be charged against general savings on the grant for Provincial for 1878-79, and the liabilities (Rupees 101-7-1) met from the provision for Provincial Repairs at the disposal of the Superintending Engineer, Third Circle, for 1879-80.

The Chief Engineer
Public Works Department.

Sir,

I have the honor to inform you
that the Executive Engineer Cuddalore
Division has brought to my notice
that an expenditure of Rs 163-13-5 and
liabilities to the extent of Rs 101-7-1 mak-
-ing in all Rs 265-5-1 has been incurred
in excess of the current year's appropri-
-ation of Rs 1500 for the repairs of the
Government House at Cuddalore occupied
by the Collector, an estimate for which
amounting to Rs 1630, was sanctioned by
the late District Engineer this year.
The above excess of Rs 265-5-1 was not
included in the statement of liabilities
on which the Revised Budget has been
lately sanctioned as the Divisional
officer, apparently, was not aware
of it till after the submission of the

statement of liabilities. I request therefore
that an allotment of Rs 266 may be granted
from the Reserve of Rs 2629 held at the
disposal of Government under Provincial
Buildings and Roads in the Revised Budget
for the current year.

I have the honor to be
Sir
