No. 147. Proceedings of the Madras Government in the Financial Department,
dated 10th March 1879, No. 446.

Proceedings of the Board of Revenue, dated 1st February 1879, No. 269.

From J. F. PRICE, Esq., President of the Local Fund Boards, Chingleput District,
to the Acting Secretary to the Board of Revenue, dated Saidapet,
21st December 1878, No. 118.

IN reference to the Proceedings of the Board of Revenue, No. 6,700, dated 6th
July 1878, I have the honor to state that the only road for which materials are said
to have been, under the orders of the late Deputy Collector A. Kistnamah, collected by
Contractor Narasimmooloo Naidu is in the Sirulur Range, that from Velliyoor to
Periapolliem, which was executed as a famine relief work.

2. The Assistant Engineer in charge of the range measured the materials on
the 16th and 17th September last and fixed their value at Rupees 3,142-1-0 as per
estimate enclosed. As only Rupees 300 have been allotted for the entire length of
the road (No. 8 in Appendix to statement recorded in Board's Proceedings, No. 1,822,
dated 2nd July 1878), the balance of the estimate will have to be disbursed from
Famine funds.

3. The enclosures to the Proceedings under reply are herewith returned.

ENCLOSURE No. 1.—Estimate.

SUBMITTED for the orders of Government with reference to their endorsement,
dated 21st June 1878, No. 1,077.

2. The value of the materials collected by a contractor on the road from
Velliyoor to Periapolliem, which was executed as a famine relief work, has been
ascertained by actual measurement to amount to Rupees 3,142-1-0. Deducting the
allotment of Rupees 300 for the up-keep of the road in question provided in the
statement showing the distribution of the lump sum entered in the current year's
budget, approved of in Board's Proceedings, dated 2nd July 1878, No. 1,822, there
remain Rupees 2,842-1-0 which cannot be met from the Road Fund as there is no
unallotted balance or reserve and no adjustment of allotment is feasible.

(A true Copy and Extract.)

(Signed) J. STURROCK,
Acting Secretary.

THE facts of this case are not clearly stated, and it does not appear whether the material has been used or not; but however the case is viewed, the charge is manifestly not a famine charge and cannot be admitted against famine.

Respected Sir,

With reference to your Memo
No 225 of 8th Instant, I beg most
respectfully to state that your honor
will be pleased at present to
measure up the materials collected
by me from August last to Valayun
and Parapoliem Road to pay
me when the funds are allotted
with interest at 12 per Cent per
Annum, which would be the loss
for me till you make the
payment; otherwise you will
have much trouble in calculating
to the exact quantity of gravel
collected after wear & tear by
season as well as to its being
exposed to the effects of Cattle &c,
as

Yours faithfully,
J. E. Paul

as I had been a great loser up
to this time for the above reasons.
I write this with the full hope
of avoiding any loss to me in the
first instance and secondly
avoiding any misunderstanding
in the future as to arrive at the
exact quantity I supplied.

17th May 1878

I beg to remain

Respectfully
Yours most obedt servant
A. Narasimhaiah
