GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

19th April 1879, No. 1,176 W.

General.
Account.

Read the following papers:—

No. 152. From Major H. W. WOOD, R.E., Acting Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 6th March 1879, No. 1,155.

THE Executive Engineer, Bangalore Division, reports that the grant under Provincial Services has been exceeded by Rupees 10,691 for the reason that, while the grant is based on the amount due for establishment and certain specified works, the expenditure incurred under this head includes payments made for house-rents, compensation for quarters, &c., the payments on account of which are constantly fluctuating.

2. I have the honor to point out that there is a balance of Rupees 38,142 in the Bangalore Division under the head Ordinary Imperial, from which the excess under the head Provincial might be made good.

No. 152-A. From the same Officer, dated Chepauk, 1st April 1879, No. 1,886.

WITH reference to your memorandum, No. 942, dated 15th March 1879, I have the honor to inform you that the Divisional Officer, Bangalore, reports that since December last no funds have been allotted to his division by the Examiner except under "Provincial" and this for establishment charges only, and further that, under advice from the same officer, the balance standing to the credit of the division under "Imperial" was transferred to "Provincial," so that Provincial funds only have had to meet all demands since 1st January 1879, not only on account of establishments, but also on account of house-rent, compensation for quarters, and transfer Divisional, as no funds have been granted under any other head.

No. 152-B. Office note from the Examiner of Public Works Accounts, dated 5th April 1879, No. 29.

No. 153. ORDER THEREON, 19th April 1879, No. 1,176 W.

As the official year 1878-79 has closed, no further action in this matter appears necessary.
