GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

22nd April 1879, No. 1,197 W.

General.
Account.

Read the following papers:—

No. 175-A. Endorsement of the Officiating Chief Secretary to Government, Financial Department, dated Ootacamund, 17th April 1879, No. 873.

Proceedings of the Board of Revenue, dated 15th March 1879, No. 696.

From A. McC. WEBSTER, Esq., Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated Bhavani, 17th February 1879, No. 20.

In their Proceedings, No. 182, of 22nd January 1879, the Board of Revenue sanctioned an estimate of Rupees 50 for boring for water; but no funds having been allotted for the work from a specific source, the Superintending Engineer asks me to apply for an allotment. The work is not one appertaining to Local Funds, and besides, the boring, which has been commenced and almost executed, is within municipal limits. I have the honor, therefore, to request that the Board will be pleased to allot a sum of Rupees 50 under Land Revenue Miscellaneous and authorize the Accountant-General to place the same to the credit of the Public Works Department.

FORWARDED to Government with reference to Board's Proceedings, dated 12th October 1878, No. 2,772.

2. The transfer proposed by the Collector would apparently require the sanction of the Government of India, and the Board would suggest the expenditure on this trial boring which was undertaken in accordance with the Chief Engineer's recommendation * being met from the Public Works Department budget.

Proceedings of the Board of Revenue, dated 22nd January 1879, No. 182.

From A. McC. WEBSTER, Esq., Collector of Coimbatore, to the Acting Secretary to the Board of Revenue, dated 25th December 1878, No. 259.

With reference to the Board's Proceedings, dated 12th October 1878, No. 2,772, I have the honor to enclose for sanction and provision of funds an estimate received from the Superintending Engineer for Rupees 50 for making experiments with boring tools. The experiments have, as directed by the Board, been put in hand at once under the Public Works Agency. The result of the experiments and actual cost will be reported in due course.
