GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

22nd April 1879, No. 1,202 W.

General
Account.

Read the following paper:—

No. 184. From Lieutenant W. L. C. BADDELEY, R.E., Acting General Superintendent, Public Works Stores and Workshops, to the Deputy Chief Engineer, Public Works Department, dated Madras, 5th April 1879, No. 8.

With reference to your memorandum, No. 1,236, dated 2nd April 1879, I have the honor to state that the mamooties alluded to, now under provision by the Director-General of Stores, were indented for in 1878-79 under Irrigation, Ordinary.

2. At that time separate accounts of stores for three distinct services, viz., "Imperial, Civil and Military Buildings," "Irrigation," and "Provincial" were maintained.

3. Under this arrangement issues from one service to another carried with them a money payment, and as there were only a few mamooties in stock under Civil and Military Buildings and those likely to be issued in a very short time, and none in stock in "Irrigation" or "Provincial," the number of mamooties applied for by District Engineer for Irrigation Service were entered in the Home indent, and submitted for sanction with the Irrigation Budget. No mamooties were indented for "Imperial, Civil and Military Buildings" or "Provincial" Services; only unserviceable tools received from Calcutta and Ceylon for famine works were on hand, and these have since been repaired and are in stock, but it is questionable whether the Bengal pawrah and picks will be a fit tool in the hands of a Madras cooly, or whether these tools will be accepted by Divisional Officers on payment, now that all stores under recent orders of Government are classed as "Provincial" and will be issued only on payment.

No. 185. ORDER THEREON, 22nd April 1879, No. 1,202 W.

ORDERED to be recorded.

2. No more tools of the same description should be indented for by the General Superintendent.

on "Provincial" Services - only unrepairable tools
removed from Calcutta and Khyber for Province
Works were on hand, and these have since been
repaired and are in stock, but it is questionable,
whether the Bengal Pouch and Pick will
be a fit tool in the hands of a Madras Army

Provincial Officers on payment, now that all
