GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

25th April 1879, No. 1,234 W.

General.
Account.

Read the following paper :—

No. 212. From Major H. W. WOOD, R.E., Acting Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 3rd April 1879, No. 1,935.

I HAVE the honor to bring to your notice that in the revised budget for the last three months of 1878-79, circulated in G.O., No. 745 W, dated 12th March 1879, the grants for roads are only the amounts of liabilities incurred up to 31st December 1878, applied for in the statement submitted with this office No. 5,091, dated 30th December 1878.

2. In accordance with G.O., No. 4,858 W, dated 27th December 1878, the Divisional Officers proceeded with the execution of Local Fund works under instructions issued from this office from the available Local Fund balances on the 1st January 1879, after deducting the amounts of all liabilities due, and as there is no provision in the revised budget to meet expenditure thus incurred since 1st January 1879, the Executive Engineers of Tindivanam and Chingleput Divisions have addressed me on the subject, and similar communications will probably be coming from the other Divisional Officers. On the receipt of further necessary information a statement showing the amounts expended since 1st January 1879, for which allotment will be required, will be submitted. Meanwhile I request instructions on the matter.

3. The Divisional Officers above referred to have been directed to stop expenditure till further notice.

No. 213. ORDER THEREON, 25th April 1879, No. 1,234 W.

The Government observe that as the official year 1878-79 has expired, no action can now be taken in regard to the provision of funds to cover expenditure incurred during that year.

2. With respect to the continuance of expenditure on Local Fund works during the current official year, the Superintending Engineer will be guided by the appropriations made in the several Circle Budgets for 1879-80.
