GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

28th April 1879, No. 1,247 W.

General.
Establishment.

Read the following paper :—

No. 227. From Major H. W. WOOD, R.E., Acting Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 18th April 1879, No. 2,219.

With reference to paragraph 5 (copy enclosed) of the report No. 3,100, dated 23rd September 1878, of the late District Engineer of North Arcot relative to the new arrangements in regard to office accommodation at Vellore, I have the honor to request sanction to the building hired for the late District Engineer's office under the sanction granted in G.O., No. 2,313, dated 10th August 1875, being retained for the use of the Executive Engineer's Office, Vellore. The building has been occupied by the Executive Engineer's Office since the abolition of the late District Engineer's Office.

From Lieutenant-Colonel H. L. PRENDERGAST, R.E., Officiating Superintending Engineer, North Arcot, to the Collector of North Arcot, dated Vellore, 23rd September 1878, No. 3,100.

5. There is at present a Range Office at Chittur; at Vellore there is a small Range Office in the Fort which would not be sufficiently commodious for the Executive Engineer's Office, but the house now rented for the District Engineer's Office is suitable and will be available. There is also a very good office in the barrack buildings (old Subaltern's quarters) in the Fort at Arni. There is no office though at Chendragiri. In my letter No. 629 of 19th May 1877 I asked the Chief Engineer if I might send an estimate for building a Sub-Divisional Office as the old road shed was worthless. The answer was that I had better wait for the reorganization of the department, and it will now be necessary to provide office accommodation at Chendragiri.

No. 228. ORDER THEREON, 28th April 1879, No. 1,247 W.

SANCTIONED accordingly.
