No. 229. Endorsement of the Officiating Chief Secretary to Government in the Public Department, dated Fort St. George, 27th March 1879, No. 753.
From G. H. FAULKNER, Esq., C.E., Executive Engineer, 2nd Grade, Bengal Irrigation, to the Chief Secretary to the Government of Madras, dated Calcutta, 22nd March 1879.

Two days before leaving Madras Colonel Foord, the then Chief Secretary, intimated to me that I should receive a public letter from his office recognizing my services during the famine, and also for my services during the time I acted as General Superintendent of Workshop and Stores.

2. You will notice that I recalled this matter to the Secretary on notifying my departure from Madras to Bengal in letter dated 13th January 1879.

3. Such letter would be at this moment of paramount importance to me as there is an intention to reduce the number of Engineers in the Department of Public Works, Bengal, and I being a 55 years man may have to leave the department although I have been recommended for another five years service.

4. Colonel Farewell and Colonel Mullins are acquainted with my services, &c., and I shall feel exceedingly obliged if you will let me have the promised letter which I can use to forward my views either with the Bengal Government or private firms who might be disposed to give me employment.

TRANSFERRED to the Public Works Department.
