GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

29th April 1879, No. 1,254 W.

General
Account.

Read the following papers :—

No. 240. Endorsement of the Acting Secretary to the Board of Revenue, dated Chepak, 18th April 1879.

From the President, Local Fund Board, Canara Circle, to the Acting Secretary to the Board of Revenue, dated Mangalore, 21st December 1878, No. 1,174.

I HAVE the honor to submit, for the sanction of the Board of Revenue, an estimate amounting to Rupees 2,850 submitted by the District Engineer for the purchase of tools chargeable to the Road Fund. The Executive Engineer proposes to utilize only 800 rupees this year, and states that the balance may be allotted hereafter. A copy of his letter No. 4 of the 5th instant, explaining the necessity for the allotment is enclosed, and I beg to request that the Board of Revenue while sanctioning the estimate may be pleased to provide the sum of Rupees 800 out of the saving of Rupees 840 effected from the allotment for the Aryal bridge, and the transfer of which sum to the Road Fund Reserve was applied for in this office letter, dated the 22nd November 1878, No. 1,086.

2. The District Engineer has submitted another estimate, amounting to Rupees 320, for the purchase of two boilers chargeable to the General Fund, and the Local Fund Board have sanctioned it. I have therefore the honor to request that the Board of Revenue will sanction the appropriation of the above sum of Rupees 320 from the current year's General Fund Reserve.

3. Copies of the Local Fund Board's resolutions on the subject are appended.

Proceedings of the Board of Revenue, dated 15th June 1878, No. 1,634.

From W. H. COMYN, Esq., President of the Local Fund Board, Canara Circle, to the Acting Secretary to the Board of Revenue, dated Mangalore, 28th May 1878, No. 418.

I HAVE the honor to submit herewith the list of works remaining incomplete on the 31st March 1878, and for which funds are required to be allotted during the current official year 1878-79, together with a copy of the Local Fund Board's Resolution, dated the 20th instant, passed regarding it.

2. The list contains fourteen items requiring an aggregate allotment of Rupees 35,930, of which Rupees 29,453 are chargeable to the Road Fund and Rupees 6,477 to the General Fund.

3. With the exception of items Nos. 2, 7, 8 and 12, the others do not seem to call for remarks; the necessary references, &c., having been quoted in the remark column against each work.

4. *Item No.* 2.—The total estimate sanctioned by Government for the construction of the Cubbinhally iron girder bridge amounts to Rupees 19,150. Of this sum only Rupees 781 have been spent up to 31st March 1878. In explanation of the non-utilization of the allotment made for this work in 1877-78, the District Engineer states that the prevalence of unusual fever completely stopped all work, and there have been difficulties in the way of supply of iron work.

5. A sum of Rupees 9,620 has been provided for this work in the budget for the current official year 1878-79, and at the request of the District Engineer the Local Fund Board have passed the provision of the balance of estimate, Rupees 8,749, in the list of incomplete works, in order that the completion of the work may not be delayed for want of funds.

6. *Item No.* 7.—The allotment of Rupees 6,000 proposed for the road from Mangalore to Mulky is in addition to the sum of Rupees 2,450 sanctioned for the current official year in the Revenue Board's Proceedings, dated the 7th instant, miscellaneous No. 4,572. The total estimate for the work amounts to Rupees 23,550, of which Rupees 2,953 have been spent up to 31st March 1878.

7. *Items Nos.* 8 *and* 12.—There being no expenditure on these works up to 31st March 1878, they are not, strictly speaking, incomplete works. The allotment for item No. 8 was sanctioned late in the year, and consequently no expenditure appears to have been made. As regards the other item (construction of a dispensary, &c., at Bantwal) the work could not be commenced in consequence of the question of site not having been settled until 18th February 1878—*vide* Revenue Board's Proceedings, 12th March 1878, miscellaneous No. 2,546.

8. As, however, both these works had allotments in the past official year, the Local Fund Board have entered them in the list of incomplete works, and trust that the allotments made by them will be passed by the Board of Revenue, as otherwise there will be further difficulty in the way of the progress of the works.

9. The Local Fund Board propose to meet the cost of the above works from the under-mentioned sources:—

	Road Fund.		General Fund.
	RS.		RS.
Balance as per memorandum of Collector on 31st March 1878	30,695		24,458
Deduct balance carried forward to budget of 1878-79	3,070		12,900
	27,625		11,558
Amount required for incomplete works ...	29,453		6,477
Deficit ...	1,828	Surplus.	5,081

10. As shown above there occurs a deficiency of Rupees 1,828 under the Road Fund, which the Local Fund Board propose to make good by the provision of an equal amount from the current year's Road Fund Reserve of this circle.

11. Proposals for utilising the surplus balance of Rupees 5,081 under the General Fund will be submitted in due course.

ENCLOSURE No. 1.—List.

ENCLOSURE No. 2.—Extract from Proceedings of Local Fund Board.

1254
2

THE list of incomplete works of 1877-78, containing fourteen items with an aggregate allotment of Rupees 35,930, is sanctioned, with the following remarks, from the sources noted below:—

Rupees 27,625	From the unappropriated Road Fund Balance.
„ 1,828	From the Road Fund Reserve.
„ 6,477	From the unappropriated General Fund Balance.
„ 35,930	

2. The first item* in the list has been removed to "4, Miscellaneous," under "Communications."

3. Item No. 11† being a new work has been transferred to Original Works, "Communications," "Tolls and Ferries."

* Preparing a Survey Register of the roads in the Canara Circle.

† Construction of a junghar experimentally according to the improved pattern.

4. The Accountant-General is requested to place Rupees 35,930 at the disposal of the Public Works Department.

(A true Copy and Extract.)

Proceedings of the Board of Revenue, dated 16th January 1879, No. 102.

From W. H. COMYN, Esq., President of the Local Fund Board, Canara Circle, to the Acting Secretary to the Board of Revenue, dated Mangalore, 22nd November 1878, No. 1,086.

I have the honor to submit herewith, for sanction, an estimate,* amounting to Rupees 2,760, for the construction of an iron bridge at Aryal on road No. 10 from Mulky to Mudbidry, together with an extract from the Proceedings of the Local Fund Board of this Circle, dated the 3rd October 1878, approving the estimate.

* One Abstract Estimate.
,, Detailed do.
,, Specification.
,, Plan.

2. In their Proceedings, dated the 27th March 1878, Miscellaneous No. 3,126, the Board of Revenue sanctioned an approximate estimate for this work amounting to Rupees 3,600. The present estimate is, therefore, Rupees 840 less than the one already sanctioned.

3. This work forms item No. 8 in the list of incomplete works sanctioned in the Proceedings of the Board of Revenue, dated the 15th June 1878, No. 1,634, with an allotment of Rupees 1,599 for the current official year.

4. On the estimate now submitted being sanctioned, I have the honor to request that the Board of Revenue will be pleased to reduce the allotment by Rupees 840 and to transfer this sum to the Road Fund Reserve.

Enclosure No. 1.—Plan.

Enclosures Nos. 2 and 3.—Estimates.

Enclosure No. 4.—Specification Reports.

Enclosure No. 5.—Extract from Proceedings of Local Fund Board.

The revised estimate, amounting to Rupees 2,760, for the construction of an iron bridge at Aryal on road No. 10 from Mulky to Mudbidry is sanctioned in lieu of the approximate one for Rupees 3,600 passed in Board's Proceedings, dated 27th March 1878, Miscellaneous No. 3,126.

2. As the present estimate is less than the original one by Rupees 840, the Board resolve to deduct the amount from the provision of Rupees 1,599 for the work, which appears as item No. 8 in the list† of incomplete works of 1878-79 and transfer it to the Road Fund Reserve. The Accountant-General is requested to deduct Rupees 840 from the total allotment already placed at the disposal of the Public Works Department.

†Sanctioned in Board's Proceedings, dated 15th June 1878, No. 1,634.

To

J. Sturrock Esqre
Acting Secretary to the,
Board of Revenue, Madras

Sir,

I have the honor to submit, for the sanction of the Board of Revenue, an estimate amounting to Rupees 2850, submitted by the District Engineer for the purchase of tools chargeable to the Road Fund. The Executive Engineer proposes to utilize only 800 Rupees this year and states that the balance may be allotted hereafter. A copy of his letter No4 of the 5th Instant explaining the necessity for the allotment, is enclosed, and I beg to request that the Board of Revenue while sanctioning the estimate may be pleased to provide the sum of Rs 800 out of the saving of Rs 840 effected from the allotment for the Aryal Bridge and the transfer of which sum to the Road Fund Reserve was applied for in this office letter dated the 22nd November 1878, No 1086.

[illegible]

2. The District Engineer has submitted another estimate amounting to Rupees 320 for

the

the purchase of two boilers chargeable to the General Fund and the Local Fund Board have sanctioned it. I have therefore the honor to request that the Board of Revenue will sanction the appropriation of the above sum of Rs 320 from the Current year's General Fund Reserve

3. Copies of the Local Fund Board's resolutions on the subject are appended.

I have the honor to be,

PROCEEDINGS OF THE BOARD OF REVENUE, dated 15th June 1878.

Read the following letter from W. H. COMYN, Esq., President of the Local Fund Board, Canara Circle, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Mangalore, 28th May 1878, No. 418:—

I HAVE the honor to submit herewith the list of works remaining incomplete on the 31st March 1878, and for which funds are required to be allotted during the current official year 1878-79, together with a copy of the Local Fund Board's Resolution, dated the 20th instant, passed regarding it.

2. The list contains fourteen items requiring an aggregate allotment of Rupees 35,930, of which Rupees 29,453 are chargeable to the Road Fund and Rupees 6,477 to the General Fund.

3. With the exception of Items Nos. 2, 7, 8 and 12, the others do not seem to call for remarks; the necessary references, &c., having been quoted in the remark column against each work.

4. *Item No.* 2.—The total estimate sanctioned by Government for the construction of the Cubbinhally iron-girder bridge amounts to Rupees 19,150. Of this sum only Rupees 781 have been spent up to 31st March 1878. In explanation of the non-utilization of the allotment made for this work in 1877-78, the District Engineer states that the prevalence of unusual fever completely stopped all work, and there have been difficulties in the way of supply of iron work.

5. A sum of Rupees 9,620 has been provided for this work in the budget for the current official year 1878-79, and at the request of the District Engineer the Local Fund Board have passed the provision of the balance of estimate, Rupees 8,749, in the list of incomplete works, in order that the completion of the work may not be delayed for want of funds.

6. *Item No.* 7.—The allotment of Rupees 6,000 proposed for the road from Mangalore to Mulky is in addition to the sum of Rupees 2,450 sanctioned for the current official year in the Revenue Board's Proceedings, dated the 7th instant, Miscellaneous No. 4,572. The total estimate for the work amounts to Rupees 23,550, of which Rupees 2,953 have been spent up to 31st March 1878.

7. *Items Nos.* 8 *and* 12.—There being no expenditure on these works up to 31st March 1878, they are not, strictly speaking, incomplete works. The allotment for Item No. 8 was sanctioned late in the year, and consequently no expenditure appears to have been made. As regards the other item (construction of a dispensary, &c., at Bantwal) the work could not be commenced in consequence of the question of site not having been settled until 18th February 1878—*vide* Revenue Board's Proceedings, 12th March 1878, Miscellaneous No. 2,546.

8. As, however, both these works had allotments in the past official year, the Local Fund Board have entered them in the list of incomplete works, and trust that the allotments, made by them, will be passed by the Board of Revenue, as otherwise there will be further difficulty in the way of the progress of the works.

9. The Local Fund Board propose to meet the cost of the above works from the undermentioned sources:—

	Road Fund. RS.	General Fund. RS.
Balance as per memorandum of Collector on 31st March 1878	30,695	24,458
Deduct balance carried forward to Budget of 1878-79	3,070	12,900
	27,625	11,558
Amount required for incomplete works ...	29,453	6,477
Deficit ...	1,828 Surplus.	5,081

10. As shown above there occurs a deficiency of Rupees 1,828 under the Road Fund, which the Local Fund Board propose to make good by the provision of an equal amount from the current year's Road Fund Reserve of this Circle.

11. Proposals for utilizing the surplus balance of Rupees 5,081 under the General Fund will be submitted in due course.

ENCLOSURE No. 1.—List.

ENCLOSURE No. 2.—Extract from Proceedings of Local Fund Board.

THE list of incomplete works of 1877-78, containing fourteen items with an aggregate allotment of Rupees 35,930, is sanctioned, with the following remarks, from the sources noted below :—

RS.	
27,625	From the unappropriated Road Fund Balance.
1,828	From the Road Fund Reserve.
6,477	From the unappropriated General Fund Balance.
35,930	

2. The first item* in the list has been removed to "4, Miscellaneous" under "Communications."

3. Item No. 11† being a new work has been transferred to Original Works "Communications," "Tolls and Ferries."

4. The Accountant-General is requested to place Rupees 35,930 at the disposal of the Public Works Department.

(A true Copy and Extract.)

No. 102.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 16th January 1879.

Read the following letter from W. H. COMYN, Esq., President of the Local Fund Board, Canara Circle, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Mangalore, 22nd November 1878, No. 1,086 :—

I HAVE the honor to submit herewith, for sanction, an estimate,* amounting to Rupees 2,760, for the construction of an iron bridge at Aryal on Road No. 10 from Mulky to Mudbidry, together with an extract from the Proceedings of the Local Fund Board of this Circle, dated the 3rd October 1878, approving the estimate.

2. In their Proceedings, dated the 27th March 1878, Miscellaneous No. 3,126, the Board of Revenue sanctioned an approximate estimate for this work amounting to Rupees 3,600. The present estimate is, therefore, Rupees 840 less than the one already sanctioned.

3. This work forms item No. 8 in the list of incomplete works sanctioned in the Proceedings of the Board of Revenue, dated the 15th June 1878, No. 1,634, with an allotment of Rupees 1,599 for the current official year.

4. On the estimate now submitted being sanctioned, I have the honor to request that the Board of Revenue will be pleased to reduce the allotment by Rupees 840 and to transfer this sum to the Road Fund Reserve.

* One Abstract Estimate.
One Detailed Estimate.
One Specification.
One Plan.

ENCLOSURE No. 1.—Plan.

ENCLOSURES Nos. 2 and 3.—Estimates.

ENCLOSURE No. 4.—Specification Reports.

ENCLOSURE No. 5.—Extract from Proceedings of Local Fund Board.

THE revised estimate, amounting to Rupees 2,760, for the construction of an iron bridge at Aryal on Road No. 10 from Mulky to Mudbidry is sanctioned in lieu of the approximate one for Rupees 3,600 passed in Board's Proceedings, dated 27th March 1878, Miscellaneous No. 3,126.

2. As the present estimate is less than the original one by Rupees 840, the Board resolve to deduct the amount from the provision of Rupees 1,599 for the work, which appears as item No. 8 in the list† of incomplete works of 1878-78 and transfer it to the Road Fund Reserve. The Accountant-General is requested to deduct Rupees 840 from the total allotment already placed at the disposal of the Public Works Department.

†Sanctioned in Board's Proceedings, dated 15th June 1878, No. 1,634.

From
The Executive Engineer,
Canara Division

To
The President,
Local Fund Board, Canara Circle

Your letter No 1093 of 22nd November 1878.

Sir,

The estimate for purchase of tools amounting to Rs 2850---- sanctioned by the Local Fund Board on the 19th May 1878, was submitted at the requisition of the Mangalore Range Officer in order to bring up the number of tools in his Range to the maximum — amount of labor that might be obtainable at any one time so that labourers might not be turned away for want of tools. It is fully admitted that the number of tools estimated for is very much above average requirements all the year round.

I think it would be better not to purchase all those estimated for at once but that if the allotment of Rs 800 already recommended to be sanctioned for Aryal Bridge be given for this year that would suffice. In that case Rs 2000-odd would be available for transfer to other works.

Supposing

Supposing the tools brought up to a maximum as proposed, there ought to be no need of new supplies for years to come but on the other hand more repairs would be necessary.

I have &ca
