Civil Works.

Read the following paper :—

No. 10. From Colonel W. S. DREVER, c.s.r., Acting Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Coonoor, 28th April 1879, No. 1,881.

I HAVE the honor to request the sanction of Government for the construction by the Public Works Department of a new building, detailed on the margin, in the compound of the office of the Commissioner of Police, Town of Madras, and beg that the necessary orders may be issued in time to admit of provision being made for its erection, if possible, in 1880-81.

1. Barrack room.
2. School-room.
3. A small room for a Serjeant.
4. Lock-up.
5. Store-room.
6. Stables for horses.
7. A shed to hold Coroner's tent and cart, post and ropes for slooping carriages, &c.

2. The approximate cost of this work is estimated as Rupees 9,130 by the Consulting Architect to Government, good

rates being allowed as a precautionary measure owing to some of the work being of a novel character as reported by Mr. Chisholm; but he hopes to effect a good saving. The proposed building is to be carried out on a plan providing for all the requirements in as compact a manner as possible, and I agree with the Acting Commissioner of Police as to the urgent necessity for the work, inasmuch as the existing store-room and barracks are in a ruined condition and not repairable, while the school shed entirely collapsed in the cyclone of 1877.

No. 11. ORDER THEREON, 2nd May 1879, No. 1,280 W.

COMMUNICATED to the Consulting Architect, who will submit a regular plan and estimate for the work referred to by the Inspector-General.
