No. 20. Endorsement of the Acting Secretary to Government, Revenue Department, dated Ootacamund, 24th April 1879.

Proceedings of the Board of Revenue, dated 26th March 1879, No. 787.

From the Acting Superintending Engineer, First Circle, to the Deputy Collector in charge of Sea Customs, Cocanada, dated Dowlaiswaram, 22nd February 1879, No. 505 GD.

WITH reference to your letter, No. 66, of the 25th November 1878, I have the honor, in forwarding herewith a fresh estimate, amounting to Rupees 170, for reconstructing the wharf opposite to the watcher's shed at the Coringa Sea Custom Superintendent's office in lieu of the one which accompanied your letter, to inform you that the work was commenced, but under the recent orders for the stoppage of works it was stopped, and to request therefore you will be good enough to obtain sanction of Government for its continuance if you consider the work as one which should be undertaken notwithstanding the present financial pressure.

No. 56.

FORWARDED to the Board of Revenue with the estimate in original therewith received, with the request that the Board of Revenue will be so good as to obtain the necessary sanction for the completion of the wharf therein referred to. The original wharf has been swept away by the recent cyclone, and its reconstruction is absolutely necessary, as its absence causes great inconvenience in examining the boats passing by the ghats.
