No. 126 E.

Dated February 8, 1879.

Received

Forwards for guidance, a set of rules for the audit and adjustment of arrears of pay due to Majors of Royal Artillery and Royal Engineers.

No. 173, P. W. D. Press—8-2-79—130.

Enclosure to Accountant General's letter No. 126 E of 1879.

Rules for the guidance of Examiners in the audit and adjustment of arrears of pay due to Majors of Royal Artillery and Royal Engineers.

Under operation of Military Department G. G. O. No. 716 of 1878, Officers of the Royal Artillery and Royal Engineers who held the regimental rank of Major for any period between the 5th July 1872 and 1st April 1875, are entitled to draw pay for that period at the rate which has been in force for that rank subsequent to 1st April 1875.

2. The new and old rates of pay are given in the table below:—

	NEW.		OLD.	
	Royal Artillery.	Royal Engineers.	Royal Artillery.	Royal Engineers.
	Rs. A. P.	Rs. A. P.	Rs. A. P.	Rs. A. P.
When on staff salary arrangement, subject to maximum limit	640 14 0	640 14 0	433 10 0	433 10 0
When on consolidated pay arrangement ...	...	182 10 0	...	140 0 0

3. The arrears of pay claimable by all such Officers shall be audited, and arrangements for payments shall be made by Examiners of Accounts in the cases of—

I.—Officers who were borne on the strength of their respective provinces, &c., of the Public Works Department on the 3rd August 1878.

II.—Who were not borne on the Public Works Department lists on that date, but were employed in those provinces, &c., of the Public Works Department at any time between the 5th July 1872 and 1st April 1875.

4. Under the first named condition, Examiners will audit and get disbursed the entire arrears of pay due to Officers present on duty, as well as those absent on leave, on 3rd August 1878.

5. The second category includes those Officers who, having belonged to the Public Works Department at any date between 5th July 1872 and 1st April 1875, had either retired before 3rd August 1878, or were on that date employed in some other Department. The arrears due to such Officers should be audited by Examiners for only that portion of the period between 5th July 1872 and 1st April 1875 in which they actually belonged to the Public Works Department.

6. The arrears of pay of Officers who were borne on the strength of the Public Works Department on 3rd August 1878 should, subject to the exceptions referred to in the next para., be charged in the Accounts of the Public Works Department, in whatever way the normal pay of the Officers concerned is chargeable for the 3rd August 1878.

7. When the incidence of a charge so arrived at would appear to be unjust, and is serious in amount or likely to affect Budget grants materially, the charge should be held in suspense, and the case should be referred by the Examiner concerned to the Accountant General, Public Works Department. This is not to be allowed to delay or affect the audit of the amount.

NO 17 FEB 79
ENCL

8. The arrears of pay of the Officers mentioned in para. 5 should be charged in the accounts of the Public Works Department in whatever way the normal pay of the Officers concerned was charged during the period to which the arrears relate.

9. Payment of the arrears audited will be made to the Officers themselves in the ordinary course, or if desired, to such agents as they may appoint, or by remittance home at the official rate of exchange which prevailed when the pay accrued. In the latter case, detailed statements showing the amount due to each Officer in Indian money and sterling, should be submitted through the usual channel to the Government of India in view to the Secretary of State being asked to make the payments from the Home Treasury.
