Read the following paper :—

No. 68. From J. W. KUNDALL, Esq., Acting Superintending Engineer, Fifth Circle, to the Secretary to Government, Public Works Department, dated Lower Anicut, 30th April 1879, No. 133 T. J.

THE Collector of Tanjore has asked me to make a special application to Government for funds to proceed with the Sub-Collector's Cutcherry at Negapatam, for which an estimate amounting to Rupees 11,560 was sanctioned in G.O., No. 1,022, of the 26th March 1877.

2. I enclose the copy of the Sub-Collector's letter forwarded by the Collector, and trust that funds may be given to allow of the work being put in hand.

From W. AUSTIN, Esq., Acting Sub-Collector of Tanjore, to the Collector of Tanjore, dated Negapatam, 5th April 1879, No. 319.

WITH reference to your letter to the District Engineer, dated 7th August last, No. 2,783, copy of which was sent for my information, I have the honor to state that my office building, small as it is, consists of two rooms; the records are kept in the smaller one, and the other is hardly sufficient to accommodate even one-third of the establishment. The Clerks are now so crowded that I fear they will be put to very serious inconvenience during the approaching hot season. I think it is absolutely necessary, therefore, that the District Engineer should be asked to apply for funds to undertake the construction of the building sanctioned in G.O., dated 26th March 1877, No. 1,022, at an early date, or that some other arrangements should be made to rent out a building without further delay.

No. 69. ORDER THEREON, 12th May 1879, No. 1,345 W.

THE Government regret that recent orders restricting outlay under Imperial and Provincial, preclude a provision of funds being sanctioned for the work in question.

2. The Collector will see if suitable accommodation can be rented.
