From W. S. FOSTER, Esq., President of the Local Fund Boards, Godavari District, to the Acting Secretary to the Board of Revenue, dated Cocanada, 14th March 1879, No. 27.

In continuation of my letter, dated 4th February last, No. 17, I have the honor to forward herewith an estimate received from the Superintending Engineer for Rs. 6,200 for repairing the injuries done to the road from Dowlaishvaram to Samulcottah, and request that you will be good enough to obtain the sanction of Government therefor. This estimate has been passed by the Local Fund Board of the Cocanada Circle at their meeting held on the 11th instant. Copy of their resolution on the subject is herein enclosed.

One copy of Resolution of Local Fund Board, dated 11th instant.
One copy of letter from Superintending Engineer, dated 27th February last, No. 539 G.D.
One estimate, to be returned.

2. With regard to the allotment of funds, I have not received, in answer to my letter of the 4th February last, No. 17, a notice of the allotment of Rs. 2,000 from the Road Fund balance which I asked for; but, if that allotment has been made, I request that you will sanction the allotment of the balance, Rs. 4,200, of the estimated amount from the Road Fund balance of next official year.

From the Acting Superintending Engineer, First Circle, to the President of the Local Fund Boards, Godavari District, dated Dowlaishvaram, 27th February 1879, No. 539 G.D.

On the 3rd December 1878 (see my No. 2,885, dated 3rd December 1878) I wrote to you on the subject of the injury done to the Samulcottah road by the cyclone of 5th November and requested an allotment of Rs. 2,000 for expenditure in anticipation of the sanction of the estimate. To that communication I have as yet received no answer.

2. I now enclose an estimate for the work required amounting to Rs. 6,200, and have the honor to request that sanction of the Board be accorded to the same and an allotment for the same made for the coming official year.

3. As much of the work ought to be done at once (indeed ought to have been done before this). I have ordered the Divisional Officer to proceed *at once* with such work as he can defer payment for till after 31st March.

Enclosure No. 2.—Estimate.

Enclosure No. 3.—Extract from Proceedings of Local Fund Board.

The estimate, amounting to Rs. 6,200, for repairing the injuries done to the road from Dowlaishvaram to Samulcottah is submitted for the sanction of Government.

2. It is observed that this estimate is inclusive of the sum of Rs. 2,000 sanctioned in Board's Proceedings, dated 13th March 1879, Miscellaneous No. 2,403. Deducting this amount from the sum of Rs. 6,200, there remains Rs. 4,200 to be provided, which will be allotted on receipt of the sanction of Government to the estimate.
