No. 111. From H. G. TURNER, Esq., C.S., Acting Postmaster-General, Madras, to the Secretary to Government, Public Works Department, dated Madras, 22nd April 1879, No. A 405-278.

I HAVE the honor to submit copy of a letter* from the Superintending Engineer, Fourth Circle, and the plan and estimate for Rupees 3,500, therein referred to, for the construction of a 6th-class Post Office at Kotagiri, also copies of my letter† to the Director-General of the Post Office of India, and of his reply thereto. No. 10,857, dated 15th February 1879, according sanction to the measure, and request that you will be so good as to move the Government to pass orders for the allotment of the necessary funds from the grant for Major Works of the Postal Department in this circle for 1879-80.

Copy of a communication from the Superintending Engineer, Fourth Circle, to the Postmaster-General, Madras, dated Coimbatore, 15th April 1879, No. 2,938-133.

I have the honor to request you will be so good as to return to me at your earliest convenience (duly signed in token of approval) the plan and estimate, amounting to Rupees 3,500, for a 6th-class Post office at Kotagiri, which was furnished to you with this office No. 1,641-75, dated 27th January 1879, and for which an allotment of funds has been provided in the current year's budget.

2. The estimate requires the sanction of Government before it can be put in hand and the working season is passing.

Copy of a communication from the Postmaster-General, Madras, to the Director-General of the Post Office of India, dated 8th February 1879, No. A 659-1,200.

I have the honor to forward a plan and estimate for Rupees 3,500 for construction of a 6th class Post Office at Kotagiri, and request that you will be so good as to sanction the measure.

As stated already in my No. A 321-1,200, dated 28th August 1878, the necessity for a suitable building for the Post Office at Kotagiri was felt so far back as 1871, but the proposal had to give way to the more pressing want of quarters for the Travelling Post Office Sorters at Raichore.

The Post Office is now held in a hired building which is thatch-roofed, and is wanting repairs which the landlord is unwilling to execute. It is also difficult to procure another more suitable building at Kotagiri.

A sum of Rupees 3,500 has been provided for this work in the budget for 1879-80.

Copy of a communication from the Director-General of the Post Office of India, to the Postmaster-General, Madras, dated 15th February 1879, No. 10,857.

In returning the plan and estimate received with your letter No. A 659-1,200, dated 8th February 1879, I beg to approve of the construction of a 6th-class Post Office at Kotagiri at a cost not exceeding Rupees 3,500.

2. The cost will form a charge against the Major Works grant for 1879-80, if the needful provision for the same be made by the Government of India in the Public Works Budget.

No. 112. ORDER THEREON 16th May 1879, No. 1,387 W.

THE plan and estimate, amounting to Rupees 3,500, for constructing a Post Office at Kotagari are sanctioned.

2. But no provision for the requisite funds can now be made under the late restrictive orders on public expenditure.

3. This sanction has been registered as Imperial No. 5 B of 1879-80.
