MISCELLANEOUS No. 737.

Proceedings of the Board of Revenue, dated 27th January 1879.

Read the following letter from J. D. REES, Esq., Vice-President of the Local Fund Board, Shermadevi, to the President of the Local Fund Boards, Tinnevely District, dated 17th December 1878, No. 75.

With reference to the enclosed Resolution, No. 2 of this Board's Proceedings, dated 6th December 1878, I have the honor to forward an estimate of Rupees 9,740 for repairing Road No. V from Palamcottah to Travancore *via* Nanguneri, and request that you will be good enough to obtain the sanction of Government through the Board of Revenue.

2. There is no provision for this road in the current year's budget except Rupees 6,400 under the maintenance head, nor are funds available at present from other sources for making a new allotment.

No. 3.

SUBMITTED to the Board of Revenue with the estimate of Rupees 9,740 duly countersigned.

2. If possible, arrangements will be made for providing an allotment from the Road Fund Reserve in the budget of 1879-80.

TINNEVELLY,

(Signed) J. B. PENNINGTON,
President.

ENCLOSURES Nos. 2 and 3.—Estimates.

ENCLOSURES No. 4.—Extract from Proceedings of Local Fund Board.

To enable the Board to submit the estimate for the sanction of Government, the President is requested to explain the necessity for the work proposed in the foregoing letter—*vide* Clause 10, No. 30, page 6 of the revised Local Fund Rules.

2. He will also state whether the annual maintenance grant for the road in the ensuing year's budget cannot be made available for the work in question.

(A true Copy and Extract.)

(Signed) J. STURROCK,
Acting Secretary.

To the President of the Local Fund Boards, Tinnevely District.

Read also the following letter from J. D. RESS, Esq., Vice-President of the Local Fund Board, Shermadevi, to the President of the Local Fund Boards, Tinnevely District, dated 20th March 1879, No. 102.

With reference to the Proceedings of the Board of Revenue, Miscellaneous No. 737, dated 27th January 1879, I have the honor to report that Road No. V was greatly damaged by the floods of 1877, and in one place was entirely washed away for two or three consecutive miles, so that there appear no traces of a road ever having been made. At other places the road is interrupted by large breaches. As the road is one of the most important in this Circle, and thorough repair seemed to this Board urgently needed, the estimate in question was prepared by the late District Engineer Mr. Grant.

2. As regards the concluding paragraph of the Board's Proceedings, the Executive Engineer states that out of the maintenance grant of Rupees 200 per mile, Rupees 50 per mile can be withdrawn and appropriated to closing breaches during the ensuing official year.

3. I have lately travelled over the whole length of the road and can state that the amount the Executive Officer offers to appropriate will be quite inadequate, though better than nothing, and some funds may be available from Road Fund Reserve in the coming year to add to it. The state of the road at present is in marked contrast to its Travancore continuation.

No. 34.

SUBMITTED to the Board of Revenue with reference to their Proceedings quoted.
2. The repairs are most urgently necessary.

(Signed) S. R. LOCKE,
Vice-President, for President.

23th March 1879.

The estimate, amounting to Rupees 9,740, for repairing Road No. V, from Palamcottah to Travancore *via* Nanguneri, is submitted for the sanction of Government.

2. The necessity for the work in question is explained in the Vice-President's letter, dated 20th March 1879, No. 102, submitted with the President's second endorsement.

3. There is a provision of Rupees 6,400 in Part II of the current year's budget of the Shermadevi Circle for the maintenance of the road in question, from which Rupees 1,600 can be made available to meet a portion of the cost of the special repairs now proposed. Deducting Rupees 1,600 from Rupees 9,740, there remains Rupees 8,140 to be provided for. The President is requested to point out a source from which the latter amount can be met.

(Signed) J. STURROCK,
Acting Sub-Secretary.
