No. 123. Petition from W. MOOTHOOKRISTNA MOODELLY, late Apprentice, Superintending Engineer's Office, Third Circle, dated 17th March 1879.

No. 123-A. From Major H. W. WOOD, R.E., Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 22nd April 1879, No. 2,319.

In returning the petition referred for report with your No. 613-79, dated 3rd April 1879, I have the honor to state that the petitioner was entertained as acting apprentice to the late Chingleput District Engineer's office on Rupees 12 per mensem, from the 15th July 1878, the permanent incumbent having been appointed to act in a higher post in the late No. 2 or Mount Divisional office. After the re-organization of the Department in November 1878, the above appointments still continued, and the petitioner was attached to the Superintending Engineer's office. The permanent incumbent of the post which the petitioner filled resigned the acting appointment held by him in the divisional office on the 16th January 1879, and as the petitioner had filled the post of apprentice above referred to since the 15th July 1878 his services were retained subject to confirmation by the Examiner, who however disallowed petitioner's pay from the 16th January 1879, the date of the resignation of the permanent incumbent. Petitioner's services were finally dispensed with on the 5th February 1879.

No. 123-B. From the Examiner of Public Works Accounts, dated 5th May 1879, No. 122.

No. 124. ORDER THEREON, 17th May 1879, No. 1,400 W.

UNDER the circumstances explained by the Superintending Engineer, the Examiner will be authorised as a special case to pass pay to the petitioner for the time he actually did duty in the Superintending Engineer's office.
