✓ No. 147. Endorsement of the Acting Chief Secretary to Government in the Financial Department, dated Ootacamund, 14th May 1879, No. 1,026.

From Colonel R. M. MACDONALD, Director of Public Instruction, to the Acting Chief Secretary to Government, dated Madras, 8th May 1879, No. 1,923.

In returning G.O. of the 17th March 1879, No. 793 W., referred to me for report with your endorsement, dated 5th ultimo, No. 824, I have the honor to state that, if necessary, the excess expenditure of Rupees 366 on the Dharmapuri School-house may be met from the balance of Rupees 3,005-11-2* available out of the reserve in the Educational Building Fund Budget for the current year.

2. As payment to the full extent of the revised estimate has been made in 1878-79, and as there are ample savings to cover the excess charge from the funds placed at the disposal of the Public Works Department for expenditure during that year, it seems unnecessary to sanction any additional allotment on account of the work in question during the current year.

FORWARDED, with reference to what is stated in paragraph 2, to the Public Works Department for information whether, with reference to paragraph 3 of that Department Order, No. 793 W., dated 17th March 1879, funds should be specially allotted.

(Signed) C. G. MASTER,
Officiating Chief Secretary.

✓ No. 148. ORDER THEREON, 21st May 1879, No. 1,422 W.

As the expenditure in question was incurred in the last official year, a special appropriation of funds on that account in the current official year will not be necessary.

Read the following paper:—

No. 205. From the Superintending Engineer, Fourth Circle, to the Chief Engi-
neer, Public Works Department, dated Coimbatore, 21st February 1879,
No. 521-125.

I HAVE the honor to forward, for the sanction of Government and provision of
funds, a revised estimate, amounting to Rupees 3,768, for renewing the roof of the
Dharmapuri School-room and rebuilding a part of the masonry which has given way.

2. A revised estimate of Rupees 3,475 was sanctioned for this work in G.O.,
No. 3,392 W, of 26th August 1878, and there was no necessity for a further revision
as far as the work was concerned, and the excess, Rupees 293, for which provision of
funds is now requested, is due to the work having been executed during famine; of
course labor and materials cannot then be had at normal rates.

3. Payments to the full extent of the revised estimate have been made prior to
the submission of the revised budget, but the Executive Engineer, owing to
misconception of orders, failed to ask for the amount.

No. 206. ORDER THEREON, 17th March 1879, No. 793 W.

The Government observe that this work was apparently completed in November
last, and that the preparation of a revised estimate was therefore unnecessary.

2. The excess, viz., Rupees 293, will be passed by the Examiner, Public Works
Accounts, under Public Works Code III, vii, 7 ch., on the receipt of a completion
report, the transmission of which should be expedited.

* For works representing expenditure in excess of appropriation.	rs. 293	be requested to authorise the Accountant-General to place funds, to the extent of
25 per cent. for Public Works Super- vision.	73	Rupees 366,* now required, at the dis- posal of the Public Works Department, as an addition to the Educational Fund grant already brought to account in the books of the Examiner.
