No 5 From J. W. RUNDALL, Esq, Acting Superintending Engineer, Fifth Circle, to the Secretary to Government, Public Works Department, dated Trichinopoly, 16th May 1879, No 89 I C.

I HAVE the honor to bring to your notice that before the present system came into force the District Engineer, Trichinopoly, purchased a copy of the Civil Engineering College Text Book for the use of the District Engineer's Office and charged the value to contingencies, but as from G O, No. 802, of the 29th March 1876, District Engineers are not allowed to purchase these books at the cost of the State, the Examiner disallowed the charge.

2 I have the honor to request that the Government will as a special case authorise the Examiner to admit the charge which was incurred, I suppose, in ignorance of the rules.
