GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT.

11th June 1879, No. 1,575 W.

Buildings and Roads
Civil Works

Read the following papers —

No 41 From Major H. W. WOOD, R.E. Superintending Engineer, Third Circle, to the Chief Engineer. Public Works Department, dated Chepauk, 27th May 1879, No. 3,147.

With reference to this office letter No. 266, dated 18th January 1879, I have the honor to request that early orders may be passed regarding funds required for improvements, alterations and repairs to the telegraph office and out-house at Vellore

2 The Superintendent of Telegraphs, Bellary Division, states that the work is urgently required

No 11-A From the Superintendent of Telegraphs, Bellary Division, to the Secretary to Government, Public Works Department, dated Bellary, 3rd June 1879, No 333.

With reference to the accompanying copy of a letter from the Superintending Engineer, Third Circle, I have the honor to bring to your notice that the work to be undertaken was sanctioned by the head of this department, on account of the report made by the Civil Surgeon, Vellore, against the office on sanitary grounds, it is therefore most urgently necessary that steps should be taken for the carrying out of the work. I have the honor therefore to request you will inform me when this most urgent work will be proceeded with

2 Your reply will be anxiously looked for, as I must report to the Director-General the steps taken

From Major H. W. WOOD, R.E., Superintending Engineer, Third Circle, to the Superintendent of Telegraphs, Bellary Division, dated Chepauk, 27th May 1879, No 3148.

With reference to your No 141, dated 28th April 1879, I have the honor to inform you that an application for funds for the work referred to was submitted to the Chief Engineer on January last, but no orders have been passed on the subject. The Chief Engineer has been now again addressed on the subject

No. 42 ORDER THEREON, 11th June 1879, No 1,575 W

Funds to the extent of Rupees 500 are provided for the new work from the Imperial Reserve under Civil Buildings, Original Works, "Telegraph," at the disposal of Government

2 As regards the repairs, the Superintending Engineer should utilize the sum of Rupees 100 provided for the Vellore Division in the Imperial Budget for 1879-80. The balance, Rupees 70, is appropriated from the Imperial Reserve under Civil Buildings, Repairs, "Telegraph," at the disposal of Government
