GOVERNMENT OF MADRAS
PUBLIC WORKS DEPARTMENT

14th June 1879, No 1,596 W.

General.
Account.

Read the following paper —

No 61. From Major L CONWAY-GORDON, R E, Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Chapauk, 5th June 1879, No 57 W.

With reference to the Circular Memorandum from Government, No 1,692, dated 7th May 1879, on the subject of reduction of expenditure, I have the honor to suggest that the appropriation on account of the works ordered to be suspended, after allowing for expenditure incurred previous to the issue of the Circular Memorandum under reference, may be formally cancelled and the balances transferred to the Reserve at the disposal of Government. This procedure will enable this office to correct the Budget registers in a manner that would prevent the possibility of credits being granted to Executive Engineers in excess of sanctioned requirements.

2 Should the above suggestion meet with the approval of Government I shall, on receipt of the Divisional Accounts for the current month, furnish a statement showing the actual expenditure incurred on the suspended works which will enable Government to arrive at the balances of the appropriations that are available for transfer to the Reserve

No 62. ORDER THERTON, 14th June 1879, No. 1,596 W.

The Examiner's suggestion is approved

2. The necessary orders will be passed on the receipt of the statement referred to in paragraph 2 of his letter recorded above
