Civil Works

Read the following papers —

No 65. From the Acting Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 8th May 1879, No 2,010

I HAVE the honor to request the *early* sanction of Government for appropriation of Rupees 600 as particularised on the margin from the balance* (Rupees 2,440) of the Police Hutting and Building grant reserved at the disposal of Government for repair of Police buildings in the Salem and Trichinopoly Districts during

Repair Allotment	Rs
Salem	400
Trichinopoly	200
Total ..	600

* Vide G.O., No 1,173 W, dated 19th April 1879, Public Works Department

2. Information has been received that by an oversight the above allotments approved by me in the schemes for the year were not inserted in the Public Works Department Budget Estimate for 1879-80, and no provision has consequently been made in the Budget—vide G.O., No 661 W, dated 5th March 1879. Public Works Department.

No 65-A From the same Officer, dated Madras, 6th June 1879, No. 2,480.

REFERRING to the Acting Deputy Chief Engineer's memorandum, No 1,758, dated 10th May 1879, I have the honor to state that the report required has been called for from the districts, and the amount of savings if any on the Budget allotment for Police works and repairs in 1879-80 will be intimated in due course on receipt of replies from Superintendents

2 With reference to G.O., No. 1,322 A-W, dated 8th May 1879, Public Works Department, I request you will inform me whether the orders restricting expenditure apply equally to cases of *incomplete* Police works, of which there is a large number to be provided for in 1879-80, and for which a balance of Rupees 2,440 only is now available out of the current year's Hutting and Building grant (Rupees 60,000) as already reported.* Out of the above

at the disposal of Government funds as per margin for emergent repairs in the Salem and Trichinopoly Districts were asked for as a special case, and estimates to the extent of Rupees 391 in the former district have been already sanctioned by me in anticipation of sanction. Such petty charges for repairs cannot conveniently be put off, and to obtain the medical officer's opinion in each individual case as the present will delay their execution and create loss to Government.

3. Further, a sum of Rupees 242 was sanctioned by Government in G.O.,*
* *Vide* also G.O. No. 2,893 W., dated 16th July 1878, Public Works Department
No. 2,082 W., dated 8th May 1878, Public Works Department, for certain rifle butts in the Ganjam District in 1878-79, but could not be obtained in that year owing to orders of restricted expenditure. To meet adjustment of cash chest advance made for the purpose the Superintendent of Police applies for funds in 1879-80, payment of which can no longer be delayed

4. I request, therefore, you will be good enough to obtain the sanction of Government for disbursement of Rupees 842 from the balance still to the credit of Police or from the General Reserve, if any, at the disposal of Government for the purposes named above as a special case.

No. 66. ORDER THEREON, 14th June 1879, No. 1,599 W.

THE Inspector-General of Police will be informed that the Order, No. 1,322 A-W, dated 8th May 1879, is intended to apply generally to all works which can be postponed without loss or inconvenience. 2. It will be observed from G.O., No. 1,341, dated 10th May 1879,* that the previous order restricting expenditure on repairs has been modified, so that such works as are considered urgent may be continued.
