The Secretary to the Government of India, as

Public Works Department

Simla 25th May 1879

Sir,

I am directed to state that Madras & Co. dated 6 May 1879 in which it is provided that the manner of accounts shall be represented at Cotacmand with Colonel Sankey in the preparation of Public Works Code for the Province of Madras, has been brought to the notice of the Government of India by the Assistant General.

I am directed to suggest to the Government of Madras the expediency of adopting the Code, lately prepared for use in the Provinces under immediate, under the Government of India, in the revision of which

of which Colonel Sankey was largely employed, in Madras also, with only the slight additions that may be necessary to meet local requirements.

3. This course would be highly convenient, and would obviate the necessity for issuing a separate code for Madras.

4. In connection with this, I am to refer the Government of Madras to para 2 of Public Works Department Circular No. 524 E.G. dated 19th March 1919.

I have the honor to be,
Sir,

Your obedient servant

M. J. S. S. S.
