Establishment.

Read the following paper :—

No. 77. Endorsement of the Superintending Engineer, Fourth Circle, dated Chengappalli, 3rd June 1879, No. 351.

From Major J. L. L. MORANT, R.E., Executive Engineer, Nilgiris, to the Superintending Engineer, Coimbatore, dated Ootacamund, 10th December 1878, No. 353.

With reference to your letter, No. 456 C, of the 2nd instant, I have the honor to suggest that the sum of Rupees 40, being the salary of two Clerks therein mentioned, may be offered to one efficient man to be sent to this office. It is very hard to obtain the services of an efficient hand for employment in the Hills on so poor a salary as Rupees 20 per mensem.

2. I beg to add that it is not necessary to appoint two men as additional Clerks in my Division.

SUBMITTED for the favorable consideration and sanction of Government to entertain a Clerk of 4th Class, 1st Grade, or on Rupees 40 to 50, instead of the two of 4th Class, 3rd Grade, on Rupees 20 to 30 each, sanctioned for Nilgiri Division in Appendix C, No. 16, attached to G.O., No. 3,674 W, of 18th September 1878.

(Signed) P. MONTGOMERIE, Major, R.E.,
Superintending Engineer, Fourth Circle.

No. 78. ORDER THEREON, 17th June 1879, No. 1,621 W.

THE Superintending Engineer's proposals are sanctioned.

2. It is observed that they involve no additional expense.
