MEMORANDUM.

Letter Number

338 V

dated the

30 May 1879

from the

Suby Engineer of 4th Circle

This is a claim for
railway fare for a
horse on transfer-

The Code rules (IV.
iii. 1. III) state that
these charges will only
be allowed in very special
cases, but the claim
is almost always made,
and when made is in-
variably framed - "This
seems nothing special"
about this case and
than about any other,
and it is questionable
whether it is worth while
to maintain a rule
which is never enforced -

A difference is
 rightly made between
 transfers and ordinary
 journeys on duty, inasmuch
 as in the former case
 an officer usually has
 time either to send his
 boxes by road or to
 apply for permission to
 send them by rail, which
 of course he has not in
 the latter case -

There is nothing to show
 that Mr. Smith was
 in any way hurried
 in his transfer -
