GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

23rd June 1879, No. 1,675 W.

Buildings and Roads.
Civil Works.

Read the following paper :—

No. 117. From J. W. RUNDALL, Esq., Acting Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department (through the Examiner, Public Works Accounts), dated Papavinasam, 12th May 1879, No. 108 MD.

I HAVE the honor to bring to your notice that the Executive Engineer, Madura Division, informs me that the sum of Rupees 286-14-4 is outstanding in his accounts for establishment employed on Tirumal Naick's Palace work from February 1878 to July of the same year.

2. The establishment seems to have been employed by Major Vibart, R.E., but the requisite sanction was not, as far as I can ascertain, applied for.

3. I enclose a statement showing the total charges in each month.

4. The only paper bearing on the subject which the Executive Engineer is able to furnish me with is a copy of Major Vibart's reply to a disallowance list of the Examiner's.

5. Should any further explanation be required regarding this charge I would suggest that Major Vibart, R.E., be asked to afford it.

6. As it is necessary that the sum now outstanding in the accounts of the Madura Division as "paid but not audited" should be speedily adjusted, I trust the necessary sanction to the charges may be given.

E. No. 106 S.E., 5th.

FORWARDED to the Chief Engineer, Public Works Department, with a remark that the audit of the sums shown in the accompanying statement has been deferred by this office for want of the sanction of Government to the entertainment of the temporary establishment.— Vide Public Works Code I, iii, 2 and 2-A.

(Signed) H. LEM. CAREY, Captain.
for Examiner of Public Works Accounts.

16th May 1879.

No. 118. ORDER THEREON, 23rd June 1879, No. 1,675 W.

As the charges referred to are represented to have been absolutely necessary, the Examiner, Public Works Accounts, is authorised to admit them finally.

2. They should not however have been incurred without the previous sanction of Government.

The two writers here employed
chiefly in getting up the accounts
which were ^{in a} very ~~poor~~ unsatisfactory
state on my arrival at Madras.
When I arrived there one writer
was with the Messrs. I found
that the work of bringing up the
accounts including Work Register
so considerable that I thought it
desirable to appoint a second—
which I did apparently on the 8th
April. The four lascars employed
were necessarily engaged—two were
with me & two with the Messrs.
They were engaged in carrying letters
