GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

10th July 1879, No. 1,812 W.

Buildings and Roads.

Civil Works.

Read the following paper :—

No. 48. From H. G. TURNER, Esq., C.S., Acting Postmaster-General, Madras, to the Secretary to Government, Public Works Department, dated Madras, 19th June 1879, No. A 1,612-103.

I HAVE the honor to submit copy of a letter from the Executive Engineer of Salem, No. 78, dated 22nd February 1879, and the plan and estimate for Rupees 250 therein referred to for the Post Office building at Suramangalam; also copies of my letter, No. A 74-103, dated 12th May 1879, to the Director-General of the Post Office of India, and of his reply, No. 1,679, dated 29th May 1879, according sanction to the measure, and request that you will be so good as to move the Government to pass orders for the allotment of the necessary funds from the grant for Minor Works of the Postal Department in this circle for 1879-80, so that the work may be executed as early as possible.

From the Executive Engineer, Salem Division, to the Postmaster-General, Madras, dated Salem, 22nd February 1879, No. 78.

I HAVE the honor to forward, for your approval and countersignature, a revised estimate of Rupees 250 for repairing the Post Office at Suramangalam in the Salem Taluk.

From H. G. TURNER, Esq., C.S., Acting Postmaster-General, to the Director-General of the Post Office of India, dated Madras, 12th May 1879, No. A 74-103.

I HAVE the honor to forward, herewith, a plan and estimate for Rupees 250 for repairing by the Public Works Department the Post Office building at Suramangalam. This comes under the class "Original Works" as the cost of repair requires an outlay of about half the original cost which is said to be Rupees 400. I request that you will be so good as to accord sanction to the measure.

2. An estimate for Rupees 90 was sanctioned in July 1878 for repairing this office. But the Executive Engineer, Salem District, reports that the work could not be proceeded with as it was subsequently discovered that the main walls of the building are very badly cracked. It is therefore proposed to dismantle the cracked portions and rebuild, and the same is provided for in the present estimate.

3. It is proposed to carry out this work from the allotment for minor works for 1879-80.

From F. B. HOGG, Esq., Officiating Deputy Director-General of the Post Office of India, to the Postmaster-General, dated Simla, the 29th May 1879, No. 1,679.

In returning the original enclosures of your letter, No. A 74-103, dated the 12th May 1879, I beg to convey my sanction to an expenditure not exceeding Rupees 250 for alterations* to the Post Office building at Suramangalam.

2. This work will form a charge against the minor works allotment for the year 1879-80.

No. 49. ORDER THEREON, 10th July 1879, No. 1,812 W.

AN appropriation of Rupees 250 is made from the Budget Grant for Minor Works, Postal, for 1879-80, to meet the cost of alterations to the Post Office building at Suramangalam in the Salem District.

2. The work is apparently one that cannot conveniently be postponed.

To The Director General
of the Post office of India

Sir,
I have the honor to forward herewith a
plan and Estimate for Rs 250 for repairing
by the Public Works Department the Post office
building at Sooramanjalum. This comes under the
class "original works" as the cost of repair requires
an

an outlay of about half the original cost which is said to be Rs 400. I request that you will be so good as to accord sanction to the measure.

An Estimate for Rs 90 was sanctioned in July 1878 for repairing this office. But the Executive Engineer Salem District reports that the work could not be proceeded with as it was subsequently discovered that the main walls of the building are very badly cracked. It is therefore proposed to dismantle the cracked portions and re-build and the same is provided for in the present estimate.

It is proposed to carry out this work from the allotment for minor works for 1879-80.
