Read the following papers :—

No. 50. From J. W. RUNDALL, Esq., Acting Superintending Engineer, Fifth Circle, to the Secretary to Government, Public Works Department, dated Anapanullur, 7th May 1879, No. 66 T.C.

I HAVE the honor to forward herewith a bill received from the Roman Catholic Chaplain of Trichinopoly for Rupees 336 for sittings provided in the Roman Catholic Cathedral at that station for the

year 1878, for Soldiers and Sepoys of the Garrison, under paragraph 26 of the Revised Rules which accompanied Circular No. 65 P.W. of 1877. The rule states that compensation for sittings for Roman Catholic "Soldiers" shall be paid. The Chaplain's bill includes Sepoys of the 6th Native Infantry; I conclude therefore it has been determined that the Chaplain can claim for sittings provided for Native Soldiers.

2. I have the honor to request that funds may be placed at my disposal to enable the bill to be discharged.

3. The bill should properly have been forwarded last official year, but was received so late that the nominal rolls could not be verified in time by the Military Authorities, the detachment of Her Majesty's 43rd Light Infantry having gone to Burmah.

No. 50-A. From the same Officer, dated Trichinopoly, 21st June 1879, No. 220 T.C.

WITH reference to your memorandum, No. 1,820, of the 14th ultimo, returning the bill for sittings for Soldiers forwarded by the Roman Catholic Chaplain at this station, I have the honor to submit a revised bill for Rupees 183.

2. The nominal rolls sent up with my No. 66 T.C. of the 7th May were not returned; so I have not been able to check the correctness of the present bill. If found correct, I request the disbursement of the amount may be sanctioned and funds allotted.

No. 51. ORDER THEREON, 10th July 1879, No. 1,813 W.

SANCTION is accorded to the payment of Rupees 183, being the amount of compensation for sittings provided for Roman Catholic Soldiers in the Church at Trichinopoly.

2. The charge will be met from the allotment for Provincial Repairs, Civil Buildings, at the Superintending Engineer's disposal.
