Military Works.

Read the following paper:—

No. 52. From the Secretary to the Government of India, Public Works Department, (Military Works,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 26th June 1879, Nos. 684-96 M. W.

With reference to a suggestion which has been made that the lightning-conductors attached to Magazines and other public buildings in India should be annually tested with a view to ascertaining whether their earth connection is in good order, I am directed to request that a report may be submitted showing all the public buildings in Madras which are provided with lightning-conductors, and which are thought of sufficient importance to require such a test by a competent officer.

2. A skeleton map showing all the stations in the Province, with a list of the important buildings at each station which are supplied with lightning-conductors which it would be desirable to test, might be furnished.

No. 53. ORDER THEREON, 10th July 1879, No. 1,814 W.

COMMUNICATED to the Superintending Engineers, who will furnish the information required for their respective Circles.

SIR,

With reference to a suggestion which has been made that the lightning-
conductors attached to magazines and other public buildings in India should
be annually tested with a view to ascertaining whether their earth connection
is in good order, I am directed to request that a report may be submitted shew-
ing all the public buildings in Madras which are provided with light-
ning-conductors, and which are thought of sufficient importance to require such
a test by a competent officer.

2. A skeleton map shewing all the stations in the province, with a list of
the important buildings at each station which are supplied with lightning-con-
ductors which it would be desirable to test, might be furnished.

I have the honor to be,

SIR,

Your most obedient Servant,

For miles Captain, R.E.,

For Secretary to the Govt. of India.
