GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

12th July 1879, No. 1,826 W.

General.  
Account.

Read the following paper :—

No. 65. From J. W. RUNDALL, Esq., Acting Superintending Engineer, Fifth Circle, to the Secretary to Government, Public Works Department, dated Trichinopoly, 4th June 1879, No. 150 T.C.

With reference to the Proceedings, Madras Government, No. 1,394 W., of the 16th May (received on the 31st ultimo), I have the honor to point out that the application made in my "application for increase of allotment," duplicate of which is herewith returned for inspection, is not really for an increase.

2. The budget contains no provision for tools and plant, repairs and carriage for the Trichinopoly Division for the current year, although funds are given for every other division in the Circle.

3. I regret that this was not properly explained when the application was sent on.

4. The omission of any provision under this head of service for Trichinopoly Division is probably due to a clerical error in the preparation of the budget, and, as money is required under this head of service to pay for unavoidable expenditure, I trust it may be allotted.

5. A fresh application in duplicate is forwarded.

E. No. 168 S.E. 5th.

SUBMITTED to Government with the request that under the explanation submitted the sum of Rupees 100, applied for under Tools and Plant on account of the Trichinopoly Division, may be appropriated from the source pointed on in the endorsement on application.
