I.—Unless specially otherwise ordered, leave must begin within thirty-five days of the date on which it was granted. [Vide Section 38, Rule 11 of Civil Leave Code].

II.—An Officer on furlough or special leave in Europe, who wishes to have his leave extended, must apply to the Secretary of State for India at least three months before the end of his leave. [Vide Section 35, Rule 3 of Civil Leave Code].

III.—An Officer on furlough or special leave in Europe may not return to India without obtaining the permission of the Secretary of State. He must apply for this permission at least three months before the end of his leave. [Vide Section 37, Rule 1 of Civil Leave Code].

IV.—An Officer may not, without the permission of the authority which granted him leave, return to duty more than 14 days before the end of furlough, or special leave. This permission may be given with such conditions as the authority granting it may prescribe. An Officer returning from furlough or special leave more than 14 days before its expiry is entitled to no subsidiary leave, save under special orders of the Government to which he is subordinate. In such case, subsidiary leave cannot, under any circumstances, be allowed for more than 30 days, and should not be granted for even this period, if less time will suffice for the journey from the place where the officer receives permission to return to duty to the station which he is permitted to join. [Vide Section 37, Rule 4 of Civil Leave Code].

V.—All officers of the Engineer Establishment in the Public Works Department should report their intention to return from furlough at least a fortnight before sailing to the Secretary to the Government, stating at the same time the probable date of their arrival, and the port at which they intend to disembark. [Vide P. W. D. Code, IV, i, 17].

VI.—On arriving at the port of debarkation, they should report themselves personally to the Secretary in the Public Works Department of Madras, Bombay, or Bengal, as the case may be, and ask for orders. [Vide P. W. D. Code, IV, i, 17-A].

VII.—Officers who have so reported their probable arrival may, unless they receive orders to the contrary at the port of debarkation, proceed to Madras. [Vide P. W. D. Code, IV, i, 17-B].

To His Excellency The Most Noble The Governor in Council, Fort St. George.

MY LORD DUKE,

Para. 1. I find it necessary to draw the attention of your Government to the leave and pay certificate issued to Mr. W. B. Leggatt, an Executive Engineer of the second grade, by the Examiner of Public Works Accounts, Madras.

2. The entry in the 10th column of the "original" certificate,* a copy of which is given in the margin, differs from the corresponding entry in the "duplicate," which is enclosed for your information. The wording is in both cases ambiguous, but, as it appears from the note in Column 3A that Mr. Leggatt has already had leave to the extent of four years, one month, and 17 days, the entry in the "duplicate" certificate should probably be followed in the event of his being granted an extension of leave. (Vide note in margin).†

3. With the view of obviating any error which might otherwise occur, I must, however, request that you will cause an "amended" certificate to be transmitted to this Office as early as practicable, showing distinctly what extensions of leave can be granted to Mr. Leggatt with or without medical certificate, and also the allowances to which he would be entitled in the event of his leave being extended accordingly.

I have the honour to be,

My Lord Duke,

Your Grace's most obedient humble Servant,

Granbrook
