No. 163. Proceedings of the Madras Government in the Financial Department,
dated 10th December 1878, No. 2,192.

From J. H. TAYLOR, Esq., Lieutenant, R.N.R., Master Attendant, Madras, to
the Acting Chief Secretary to Government, dated 27th November 1878,
No. 9,018.

Administrative Department.

With reference to your endorsement, No. 2,077, dated the 8th November 1878, referring paragraph 2 of G.O., Public Works Department, No. 4,102 W, dated the 21st October 1878, wherein a question is raised as to whether provision should not be made from Port Funds for the construction of two additional groynes on the beach at Calicut, for the protection of the Custom House, at an estimated cost of Rupees (2,160) two thousand one hundred and sixty, I have the honor respectfully to submit that the Sea Customs charges are distinct from those of the Port Fund, and that the Sea Customs Revenues form a separate head from that of Port Fund Receipts. As the proposed work is one to be undertaken specially in connection with the new Custom House, Calicut, it appears to me that its cost should be carried to its legitimate branch, and not to the Port Fund. With these remarks I respectfully leave the matter for the decision of Government.

THE Master Attendant's letter will be communicated to the Public Works Department.
