GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

17th July 1879, No. 1,884 W.

General.
Account.

Read the following paper:—

No. 99. From Lieutenant W. L. C. BADDELEY, R.E., Acting General Superintendent, Public Works Workshops, to the Chief Engineer, Public Works Department, dated Madras, 27th June 1879, No. 1,287 W.

I HAVE the honor to submit the statement of outstanding bills for the half year ending 31st March 1879.

2. The Chingleput and Presidency Divisions have still several bills to adjust, due in the case of the former to the amalgamation of the Mount and Serulur Ranges; but there appears to be no reason why the delay should continue.

3. The Government Astronomer has adjusted all bills except No. 391, which he states should be adjusted by the Board of Revenue.

4. Sanction is solicited to write off to "Profit and Loss" the amount due by Mr. Reardon, as it is believed he has taken the benefit of the Insolvency Act.
