PUBLIC WORKS DEPARTMENT.

23rd July 1879, No. 1,934 W.

General.
Account.

Read the following paper :—

No. 141. From J. W. RUNDALL, Esq., Acting Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 25th June 1879, No. 659 T. J.

I HAVE the honor to forward herewith an estimate, amounting to Rupees 720, for tools and plant, new supplies, supplied from the Presidency Workshops to the Executive Engineer, Tanjore Division, during the past official year, and to inform you that the amount was adjusted in the division accounts for April 1879. The tools were, as usual, obtained on indents from the Public Works Stores and adjusted in the accounts without an estimate being sanctioned for the purpose. But, under the present rulings, the Examiner of Public Works Accounts objects to pass the expenditure incurred for tools without an estimate being previously sanctioned. I therefore request that you will be so good as to obtain the sanction of Government to the estimate in question and to allot Rupees 400 as the current year's Budget grant for the Tanjore Division under Tools and Plant, new supplies, viz., Rupees 418, is insufficient to pay for the instruments in question.

No. 142. ORDER THEREON, 23rd July 1879, No. 1,934 W.

THE estimate submitted with the foregoing letter is sanctioned, and an allotment of Rupees 400 is made to the Tanjore Division from the Reserve at the disposal of Government under Tools and Plant, Provincial.

2. This sanction has been registered as Provincial No. 27 B, of 1879-80.
