GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

23rd July 1879, No. 1,936 W.

General.
Establishment.

Read the following paper:—

No. 145. From the Superintending Engineer, Second Circle, to the Chief Engineer, Public Works Department, dated Bellary, 27th June 1879, No. 1,348.

I HAVE the honor to request that authority may be given to the Examiner, Public Works Accounts, to pass the salary of the undermentioned individuals who held acting appointments for the period specified against each.

2. These acting appointments were made in consequence of the permanent incumbents being absent on leave without pay, and there was no extra charge; but the Examiner, Public Works Accounts, has disallowed the charges as for new appointments with reference to paragraph 29 of G.O.; No. 3,674 W, dated 18th September 1878.

Hyderbeg, substitute for a Taluk Lascar on leave.—Pay from 22nd February to 24th April 1879, at 6 rupees per mensem. 3. M. Venkatasawmy, substitute for a Taluk Lascar on leave.—From 7th February to 31st March 1879, at 6 rupees per mensem. |

3. The circumstances in these cases are different from those under which lascars were entertained in the Fifth Circle, and upon which G.O., No. 1,182 W, of the 21st April 1879, was passed, making it distinctly understood that substitutes are only to be entertained when excess hands have been completely absorbed.

It has been a common practice in the Department, previous to the reorganization, to allow a lascar leave of absence on forfeiture of pay and on the provision of a substitute. But it appears now that such leave must be denied in all cases, until the establishment is brought down to the future normal strength of employés in all grades.

No. 146. ORDER THEREON, 23rd July 1879, No. 1,936 W.

UNDER the explanation furnished the Examiner, Public Works Accounts, is authorized as a special case to admit the charges in question.
