GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

23rd July 1879, No. 1,942 W.

General
Establishment.

Read the following paper:—

No. 156. Endorsement of the Superintending Engineer, Fourth Circle, dated
Coimbatore, 25th June 1879, No. 426.

From R. E. NORFOR, Esq., A.M.I.C.E., Executive Engineer, Salem Division, to the
Superintending Engineer, Fourth Circle, dated Salem, 17th June 1879,
No. 203.

I HAVE the honor to solicit your sanction to the following temporary arrange-
ment, viz., the removal of the Divisional Office from the building it at present
occupies to the small bungalow at Hustampetty belonging to Arnachellam Achary,
the office being used by me as a residence. As I shall pay the rent for the building
the office will occupy the Government will not be put to any extra expense by this
arrangement. The reason I ask for this change is that I am unable to procure a
bungalow with sufficient accommodation at Hustampetty where the office is located;
the lines bungalow, where I am now living, is altogether out of the way, and most
inconveniently far from the office.

SUBMITTED to the Chief Engineer, Public Works Department, with a recom-
mendation that the arrangement proposed by the Executive Engineer, Salem, be
authorised, provided Government is put to no extra expense, and the Government
building is available for the office whenever required.

Accommodation for officials at Salem is very limited, and the arrangement pro-
posed will avoid the necessity of constructing a residence for the Engineer which has
been more than once proposed.

for Supg. Engr., Fourth Circle.

No. 157. ORDER THEREON, 23rd July 1879, No. 1,942 W.

THE Government consider that the removal of the office to the little bungalow
would be inadvisable, and decline to sanction the proposal which has not been very
considerately supported by the Superintending Engineer.

MEMORANDUM.

Letter Number 426

dated the 25th June

from the District Engineer of 4th O

1942/2

I consider this proposal
altogether inadmissible,
and am surprised that
the S.E. should have
supported it. The
bungalow which he
propose to remove
the office consists of
three tiny rooms; it
altogether unsuitable
and insufficient for the
purpose.

Mr. Major's proposal
amounts in fact to this,
that the office be
moved the use of the
divisional office, consisting

I find good sized rooms
and extensive out-houses,
stores &c. for the rent
payable for the little
bungalow to which the
mess has to remove the
Office -

If the Government
propose to be responsible
for the proper conduct of
the Office with the removal
might be permitted, though
I consider it highly inad-
visable; but in this case
we should pay at least
Rs 60 per month as rent
for the Office building; the
rent of the small bungalow
is, I think, Rs 25 &
Rs 30 -

I
say inadvisable. I
am not prepared to enter
my proposal.
